

## **Kimberley Wotherspoon**

Kimberley Wotherspoon has made a lasting impact on our Litter Prevention Committee Team. She is always enthusiastic to join us on our clean-ups, and even cleans up her area after her workday. She has dedicated many hours to litter prevention picking up thousands of pieces of garbage and many bags.

Kimberley cares about her community, and to us, she epitomizes teamwork. We are so happy to know her. Thank you for all that you do for our community, Kimberley. You are a major reason why Clayton Park West is cleaner and greener.
