

## DISTRICT 13

# James Mitchell

In recent times, the iconic Canadian tradition of community volunteer based outdoor rinks has been fading. Jamie saw this as an opportunity. He demonstrated the best qualities of a volunteer by forming a team of volunteers and leading the team to operate, maintain, upgrade, and fundraise for the Boutiliers Point Outdoor Rink. With personal spirit and hard work, he led a team to bring our rink back to life. His effort has been truly inspirational to all involved and has created new community pride and spirit. Well done, Jamie, and many thanks!
