Rhonda M. Frank

Rhonda has been an invaluable volunteer and has made a large, positive impact on many organizations within our community. She has volunteered countless hours of her time and expertise acting as a volunteer art teacher for the past 7+ years at Porters Lake Elementary School. She founded the much needed Porters Lake Business Improvement District and she stays actively involved in our community by volunteering with the Eastern Shore Musquodoboit Community Health Board, the Porters Lake Community Services Association and the School Advisory Council. Rhonda inspires others to be the best that they can be by showing an authentic deep compassion and an
