Policy UR-7 enables Council to Consider amendments to the Land Use By-law to permit multi-unit buildings up to six units with regard to:

- the adequacy of separation distances from low density residential developments;
- the height, bulk, lot coverage and appearance of any building being compatible with adjacent land uses.

Potential impact on the community, specifically:

- the adequacy of separation distances from low density residential developments;
- that the height, bulk, lot coverage and appearance of any building is compatible with adjacent land uses.
