Dear Mr. Purvis:

On behalf of Killam Investments Inc. (Killam), WSP is requesting to discharge the existing Development Agreement, Document Number 108139420, along with the associated amending agreement, Document Number 116411027, at 5885 Spring Garden Road (PID 00136341). This request is being submitted so that Killam can pursue a Level 3 Site Plan Approval under the current zone (CEN-2) within the Regional Centre Land Use By-law on the subject site.

In order to assist with this application, the following supporting materials are attached:

- 1 Development Agreement, Document Number 108139420 (November 23, 2015)
- 2 Amending Agreement, Document Number 116411027 (June 2, 2020)

The original Development Agreement was negotiated for the site to allow for an 18-storey residential building to be located behind the existing 11-storey tower that fronts on Spring Garden Road. Since the approval and registration of the DA in 2015, Killam has continued to acquire properties directly across Carlton Street. With evolving market conditions and the adoption of the Regional Centre Land Use By-law, Killam has re-imagined opportunities and built forms for this area of the city. Killam feels that the as-of-right Site Plan Approval process provided by the Regional Centre LUB is the more appropriate path forward for the rear portion of 5885 Spring Garden Road as it allows them to plan for and design two complementary buildings.

Details of the proposed development for the two sites will be delivered to HRM's Planning and Development staff for consideration in the very near future and will differ in built form and overall mass compared to what has been approved in the subject DA. The applications will be comprised of a tall mid-rise building on the west of Carlton Street and a mid-rise building for the subject property. Killam feels the forthcoming SPA applications will better complement not only market demand in proposed unit make-up, but also the overall character and built form of the Carlton Street/Spring Garden Road/Camp Hill Cemetery neighbourhood.

During pre-submission meetings for the two Carlton Street SPA applications, HRM staff informed WSP and Killam that prior to receiving an approved SPA, the subject DA (and all associated amending agreements) must be fully discharged for the rear portion of 5885 Spring Garden Road so that the underlying zone (CEN-2) can prevail.

It is therefore our request that HRM staff bring the subject DA and amending agreements forward to Council for discharge. In doing so, this will allow Killam to undergo the as-of-right Site Plan Approval process for the site under the Regional Centre LUB.

Should you have any questions, please do not hesitate to contact the undersigned. In doing so, please copy all cc'd parties identified below.

Yours sincerely,

The Developer agrees that any officer appointed by the Municipality to enforce this Agreement shall be granted access onto the Lands during all reasonable hours without obtaining consent of the Developer. The Developer further agrees that, upon receiving written notification from an officer of the Municipality to inspect the interior of any building located on the Lands, the Developer agrees to allow for such an inspection during any reasonable hour within twenty four hours of receiving such a request.

8.2 Failure to Comply

If the Developer fails to observe or perform any condition of this Agreement after the Municipality has given the Developer 14 days written notice of the failure or default, then in each such case:

- (a) The Municipality shall be entitled to apply to any court of competent jurisdiction for injunctive relief including an order prohibiting the Developer from continuing such default and the Developer hereby submits to the jurisdiction of such Court and waives any defense based upon the allegation that damages would be an adequate remedy;

- (b) The Municipality may enter onto the Lands and perform any of the covenants contained in this Agreement or take such remedial action as is considered necessary to correct a breach of the Agreement, whereupon all reasonable expenses whether arising out of the entry onto the Lands or from the performance of the covenants or remedial action, shall be a first lien on the Lands and be shown on any tax certificate issued under the *Assessment Act*;
- (c) The Municipality may, by resolution, discharge this Agreement whereupon this Agreement shall have no further force or effect and henceforth the development of the Lands shall conform with the provisions of the Land Use By-law; or
- (d) In addition to the above remedies, the Municipality reserves the right to pursue any other remedy under the *Halifax Regional Municipality Charter* or Common Law in order to ensure compliance with this Agreement.
