HALIFAX REGIONAL MUNICIPALITY

Statement of Compensation

Required pursuant to Administrative Order 2015 - 006 - ADM Salary Disclosure Administrative Order

1. Basis of Reporting

This Statement of Compensation has been prepared by the Halifax Regional Municipality (the "Municipality"), a public sector body, to disclose to the public the amount of compensation the Municipality pays, directly or indirectly, to any person of \$100,000 or more in a fiscal year, pursuant to Section 54A of the Halifax Regional Municipality Charter and the Municipality Administrative Order 2015-006 the Salary Disclosure Administrative Order (the "Administrative Order").

The Administrative Order applies to any compensation paid to a person, directly or indirectly, who is a member of the Council of the Municipality or who is in an employment or contractor relationship with any Municipal Body (meaning the Municipality and any agency board, commission or corporation to which the Council may appoint the majority of the members). The Administrative Order has listed the following Municipal Bodies to which compensation disclosure applies: the Municipality, Halifax Regional Library Board and Halifax Regional Water Commission.

Significant interpretations regarding the basis of reporting include:

An employee is considered to be anyone to whom the Municipality issues a T4 or T4A slip and also includes independent contractors or consultants that are sole proprietors or incorporated individuals.

2. Basis of Accounting

Section 3(b) defines compensation as the total amount or value of all cash and non-cash salary, wages, payments, allowances, bonuses, commissions and perquisites, other than a pension, pursuant to any arrangement, including an employment contract, and includes, without restricting the generality of the foregoing:

- i) all overtime payments, retirement or severance payments, lump-sum payments and vacation payouts;
- ii) the value of loan or loan-interest obligations that have been extinguished and of imputed-interest benefits from loans;
- iii) long-term incentive plan earnings and payouts;
- iv) the value of the benefit derived from vehicles or allowances with respect to vehicles;
- v) the value of the benefit derived from living accommodation provided or any subsidy with respect to living accommodation;
- vi) payments made for exceptional benefits not provided to the majority of employees; and
- vii) payments made for members in recreational clubs or organizations.

Significant interpretations regarding the basis of accounting include:

Salary is defined as regular salary and wages, including acting pay and overtime, paid in the fiscal year.

"Regular" is interpreted in the context of the individual's classification or position and normal work schedule or as specifically determined by a collective agreement applicable to the individual.

Other benefits includes all other elements of compensation, excluding 'salary' as defined above.

3. Significant accounting policy:

Compensation:

Compensation is determined in accordance with Section 3(b) of the Administrative Order and is recognized on a cash basis. In the year ended March 31, 2021, there were 26 bi-weekly pays received by employees.
