MEMORANDUM

TO: Chair and Members of the Western Common Advisory Committee
FROM: Gareth Evans, Recreation Planning Specialist – Parks and Recreation
DATE: November 15, 2017
SUBJECT: Western Common Advisory Committee – Signage Update

Attention,

Parks and Recreation staff would like the support of the Western Common Wilderness Common Advisory Committee in identifying the most commonly used entry points to the Wilderness Common, for the signs to be posted in.

Staff are aware of the language to be used for the signage, to ensure park users are respectful of the area and using 'Leave No Trace' practices.

Should the Advisory Committee have further recommendations, staff welcome them.
