Subject: [External Email] Request to attend Active Transportation Advisory Committee

[This email has been received from an external person or system]

Hello

I'm writing to ask if I may attend the next meeting, which is on 16 May?

I'd like to introduce myself to members of the committee and discuss issues and concerns raised by members of facebook group [HRM Safe Streets for Everyone](#).

I'm happy to provide a ten minute presentation if necessary to meet formal requirements, but would prefer this takes place as an open discussion between committee members

Thank you.

Best wishes

Martyn Williams
