| Subject: Traffic Enforcement During State of Emergency | | |
| Motion for Board of Police Commission to Consider: That the Halifax Board of Police Commissioners requests an update detailing the status of traffic enforcement and community policing during COVID-19 and how Councillors should be directing traffic related complaints. | | |
| Reason: The province declared a state of emergency in March and strict guidelines for safety were put in place. The Halifax Regional Police and the Halifax District RCMP have been heavily involved with enforcement of the Nova Scotia Emergency Management Act and Health Protection Act related to COVID-19 directives. This has meant many officers have been reallocated from their regular assignments. | | |
| Outcome Sought: Staff report on the status of traffic enforcement during COVID-19 | | |
| <i>Councillor</i> Tony Mancini | <i>District</i> 6 | |
