### **9.2 COMMITTEE**

#### **9.2.1 Impact/Executive Summary of Grants Submissions**

Committee members inquired if there was currently, a reporting procedure in place that provides the Committee with updates regarding past community grants that had been awarded. Staff advised there were reporting mechanisms in place so that Council is advised if the project proceeded and complied with the terms and conditions of funding.

Currently, the Committee is not advised of the timeline of various grant projects; however, previously, if an organization defaults and is non-responsive, staff will present this information to the Grants Committee.

The Committee requested they be provided with an overview of the number of projects that proceeded and complied with the terms and conditions of funding.

#### **9.2.2 Discussion on Funding Allocations**

Committee members asked for clarification regarding redistribution of remaining funds within a budget envelope. Peta Jane Temple, Team Lead advised that any remaining funding is potentially allocated in two ways:

- Other grants that are comparable – There may be a request from an organization that does not fall within the Municipal Grants program, but is similar in nature so the staff recommendation may be to fund the project with the balance of the remaining funding;
- End of year surplus deficit – These funds are then allocated by Council to various reserves.

**10. ADDED ITEMS - NONE**

**11. DATE OF NEXT MEETING –October 18, 2021**
