Maximum height precincts of up to 90 metres,
subject to Schedule 5 - Maximum Floor Area Ratio

Maximum Height Precinct (metres)

Regional Centre
Land Use By-Law

SCHEDULE 7
MAXIMUM BUILDING HEIGHTS

PACKAGE A

10.000

Scale 1:10,000

Halifax Regional Municipality

111100

Maximum height limits are set out in Schedule 7 of the Regional Centre
Land Use By-Law. The map shows the maximum building heights allowed
in the various precincts. These limits are subject to certain conditions,
such as the maximum floor area ratio, which is also specified in Schedule
5. The map is intended to assist developers and planners in understanding
the permitted building heights within different areas of the Regional Centre.
