Subject: Request for Presentation - Harbour East - Marine Drive Community Council

Ms. Vining

I have been advised to contact you regarding scheduling of a presentation to the Harbour East - Marine Drive Community Council at its August 2, 2018 meeting. The subject will be regarding traffic issues arising from the proposed Port Wallis Residential Developments by Conrad Brothers Limited and Port Wallace Holdings, which is currently in process (Case 21601).

I would like to have ten minutes to present.

Thank you

Doug Skinner
