## Mainland North Emergency Planning – Comfort Centres

Last week’s storm activated the need for Comfort Centres across the province. Did you know that the Canada Games Centre was opened as a Comfort Centre during the storm’s recovery period? Citizens without power were able to get warm, charge their phones, and get something to eat. Are you interested in local community emergency preparedness and helping in future responses at your local Comfort Centre? Mainland North Joint Emergency Management Team, under the leadership of EMO, is hosting a presentation on Introduction to Comfort Centre Management on **Tuesday, January 16, 2018 at The Canada Games Centre at 6:30 pm.** Everyone is welcome to attend.
