WELCOME OCTOBER!

What an amazing month we have before us and I don't mean just the beauty of nature with

the colourful leaves – we have an event packed month!

October includes Mi'kmaq History Month, Thanksgiving, dedication of the Rita Joe Ferry, official opening of the Chanie Wenjack Legacy Room and much, much more!

You may wish to follow me on social media for daily updates on a variety of topics at:

I look forward to seeing you out and about in District 14!

Mi'kmaq History Month is held every October. It is a time to recognize and celebrate Mi'kmaq culture and heritage, beginning with Treaty Day on October 1.

Treaty Day commemorates the Treaty of 1752 between the people of Mi'kma'ki and the Crown. Mi'kma'ki is made up of all of Nova Scotia and Prince Edward Island, and large areas of New Brunswick, the Gaspé Peninsula, and Newfoundland.

The Treaty of 1752 was intended to show the Crown's intentions to make peace, provide trading posts, and protect the land and way of life for the Mi'kmaq people.

There are many wonderful [events](#) planned throughout HRM and many interesting [videos](#) highlighting the fascinating history of the Mi'kmaw people.

Check out the [HRM Public Libraries](#) for a list of events near you including:

- puppet shows
- Trevor Gould - traditional Mi'kmaw singer and dancer
- Rosanna Deerchild - Turtle Island's favourite cousin and Cree poet joined by local Indigenous poets Deirdre Lee, Rebecca Thomas and Arielle Twist
- Theresa Meuse - First Nations educator and advisor – hosting storytime, a rock-painting activity, and a sharing circle and much, much more!

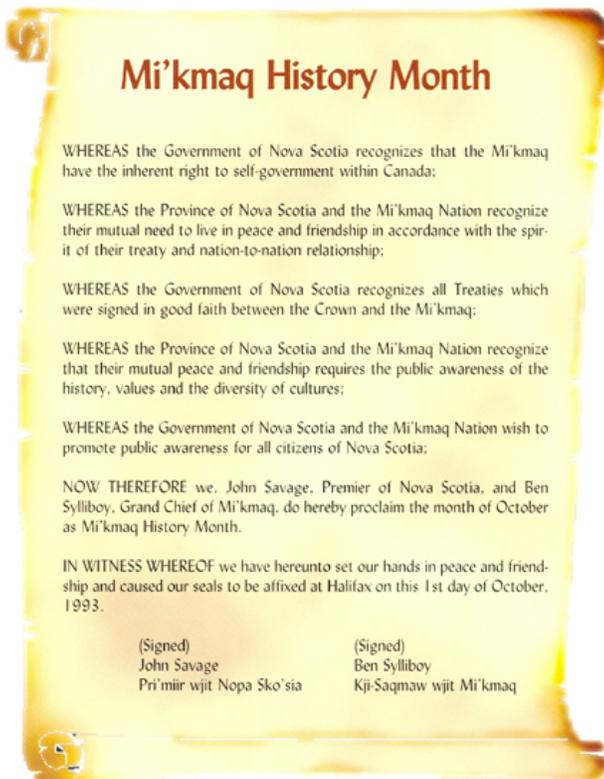

Sneak Peak: October 1st, 10:00 AM- Noon
Official Opening: October 4th

Halifax Regional Council has created a dedicate space in Halifax City Hall. This project is done in collaboration with [Gord Downie Chanie Wenjack Fund](#). The Legacy Space in City Hall will provide information about Chanie Wenjack and reconciliation for staff and visitors.

We are committed to having accurate information available to all, regarding Indigenous History on our journey to reconciliation. The space will be safe, welcoming place where conversations about the past, present and future will be facilitated and encouraged. The space will serve as a symbol and reminder for Halifax Regional Council of the important work around reconciliation.

DEDICATION OF RITA JOE FERRY – OCTOBER 26th

More than 11,000 votes were cast over 10 days in the spring of 2017 to name two new Halifax Transit Ferries. The names chosen were Vincent Coleman and Rita Joe. The [Vincent Coleman Ferry](#) was dedicated on March 14th and has been in operation since that time.

Rita Joe is a cultural icon and considered to be the "poet laureate" of the Mi'kmaq people. Her poem ["I Lost My Talk"](#) is a powerful reflection on her feelings about the disconnection from her language while at a Nova Scotia residential school.

The Rita Joe Ferry will be dedicated at 2:00 p.m. on October 26th at the Alderney Ferry Terminal, Dartmouth.

HAPPY THANKSGIVING – MONDAY, OCTOBER 8th

OUTBOUND TRAFFIC – BEAVER BANK ROAD

Many residents have been reaching out with concerns about traffic outbound on Beaver Bank Road during the morning rush and what role the lights at Stokil Drive might play. The following is an update from our traffic analyst:

"In 2016 the left turn signal for northbound traffic on Beaver Bank Road was turned on for the AM peak hours after a review of the intersection found that left turning vehicles were not able to make the turn onto Millwood Drive until the all-red phase of the signals due to the high volumes of traffic headed southbound on Beaver Bank Road. When the phase was

implemented, it was set so that it would only turn-on when there were a queue of vehicles waiting in the left turn lane, and would turn off after the queue cleared or 13 seconds, whichever came first.”

I brought your request to the attention of our Signals Analyst and he indicated that he was just on site to fix a problem with the detector. It was turning on every cycle, whether there were cars waiting to turn or not. He was able to successfully fix this and now the left turn phase should only turn on with the presence of vehicles in the lane. With this functioning properly and not turning on each cycle, back-ups in inbound traffic should be alleviated.

I have also requested data to be collected for this intersection to review if the left turn phase is still warranted for the AM hours.

CANNABIS – WHO IS RESPONSIBLE FOR WHAT?

The federal government has approved recreational cannabis use effective October 17, 2018. The following information table is from a staff report that was before Regional Council on June 19, 2018. The table outlines the three levels of government and their responsibilities in relation to Cannabis regulations.

REMINDER: * *Until federal legislation comes into effect, it is still against the law to possess, use, cultivate, or sell recreational cannabis in Nova Scotia. Except for rules around amending current leases to address cannabis and Part 1 of the Act expanding NSLC mandate to include cannabis, the province’s legislative framework will not come into effect until federal legislation is proclaimed.*
