

COUNCILLOR CATHY DEAGLE GAMMON
DISTRICT 1 ONLINE NEWS
WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

WELCOME OCTOBER!

It's [Mi'kmaq History month!](#) I invite you to take part in the variety of events planned this month to celebrate the First Nations culture and heritage. I share the following from the Mi'kmaq History Month website explaining the theme for this year: *For centuries, sports and games have grown Mi'kmaq ways of knowing and being. They are crucial for teaching young ones how to hear, how to see, and how to move. This Mi'kmaq History Month, we're shining a light on traditional sports and pastimes that are central to Mi'kmaq culture. Join in the fun!*

I was honoured to be part of the Flag Raising ceremony on September 29th at the Grand Parade recognizing the National Day for Truth and Reconciliation, Treaty Day and Mi'kmaq

History Month. I look forward to participating in many more culturally significant activities honouring this rich culture and the fact that we are all Treaty People. City Hall will be lit in orange on Sunday, October 1st to mark the beginning of Mi'kmaq History Month. On October 2nd, there was a flag raising ceremony with a reading of the Treaty Day Proclamation by Mayor Savage.

Happy Thanksgiving! Each year I give thanks for my family, friends and to everyone in the service industry including our Fire & Emergency Services personnel, the RCMP/Halifax Regional Police as well as our provincial health care providers. We are certainly fortunate to have such dedicated, caring persons working on our behalf protecting our property and our persons.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

Thank you all on this Thanksgiving month and always.

Happy Halloween! For those of you planning to Trick or Treat this year, be safe! Wear reflective clothing to be seen at night, take a flashlight with you as you go door to door and be very careful when crossing the street – look both ways and make eye contact with any driver before you step out onto the street. Have fun and enjoy your treats!

Keep reading for more information on the solid waste strategy, upcoming work on the Waverley Road guardrail, a volunteer conference opportunity, the solid waste strategy review and much more!

Please contact me if you have questions regarding municipal programs/services by phoning 902-717-2718 or email: deaglec@halifax.ca.

OCTOBER MEETINGS

Regional Council:

Tuesday, October 3rd at 10:00 a.m.
Tuesday, October 17th at 10:00 a.m.
Tuesday, October 31st at 10:00 a.m.

North West Community Council:

Monday, October 16th at 7:00 p.m.

Please confirm dates and times on our [municipal website](#) as they are subject to change.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

NWCC UPDATE

The North West Community Council (NWCC) dealt with the following matters at the September 25th meeting:

Case 23904: Amendments to the Timber Trails Mobile Home Park Development Agreement, 1036 Lucasville Road, Lucasville

NWCC gave notice of motion for the proposed amendment to the existing Timber Trails Mobile Home Park development agreement to expand the area. There is a small portion of the existing sewage treatment facility that currently supports the mobile home park which is not included within the bounds of the existing development agreement. This amendment will correct that issue.

For information on upcoming meetings, or past meetings, click [here](#).

MI'KMAW HISTORY MONTH

October is Mi'kmaq History Month, a time to commemorate the rich history, proud culture

October 2023

HALIFAX

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

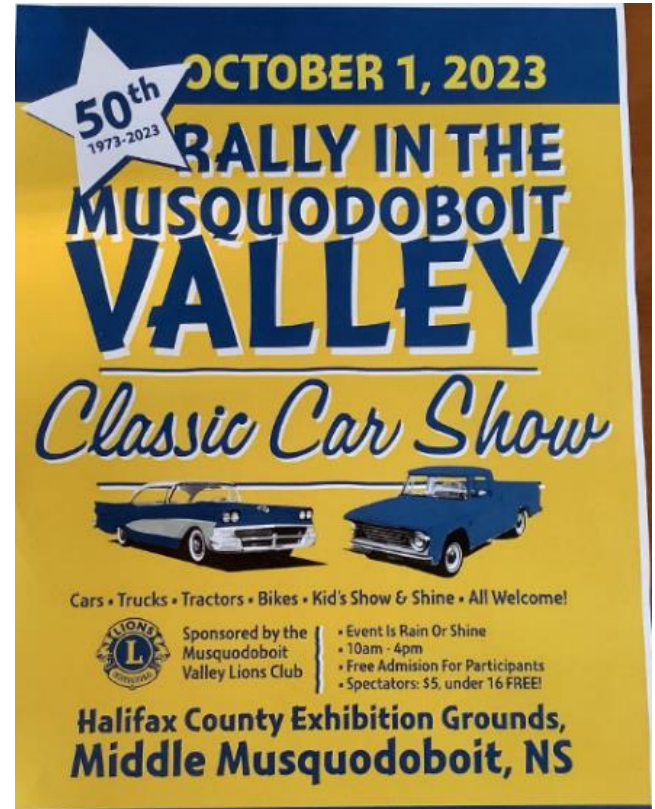

and important contributions of the Mi'kmaq people. In 1993, Premier John Savage and Mi'kmaw Grand Chief Ben Sylliboy declared October as the official month to recognize and celebrate Mi'kmaw culture and heritage. Treaty Day, October 1st, officially kicks-off a month of celebrations. This year's theme is Mi'kmaw Traditional Games & Sports.

The following are some ways you can recognize Treaty Day and Mi'kmaq History Month:

Events:

- In honour of Treaty Day, October 1st, the Mi'kmaw Native Friendship Centre in partnership with the municipality hosted a traditional salmon meal with a vendor market. More details are available [here](#).
- A church service at St. Mary's Cathedral Basilica on Spring Garden Road took place on October 1st at 10:30 a.m.
- On October 2nd at 10:00 a.m., the flag raising event at Grand Parade, was held including a reading of the Treaty Day Proclamation by Mayor Mike Savage.
- Throughout the month of October, show your support of Indigenous communities by wearing orange.
- Check out the Mi'kmaq History Month [website](#) to view resources, including the 2023 Mi'kmaq History Month poster and learn more about this year's theme, Mi'kmaw Traditional Games & Sports.
- [Halifax Public Libraries](#) has a number of events and resources dedicated to Mi'kmaq History Month, and the Mi'kmaw History & Culture [virtual portal](#) to explore.

CLASSIC CAR RALLY

The Musquodoboit Valley Lions Club sponsored the Classic Car Rally in the Musquodoboit Valley again this year - their 50th Anniversary year (1973-2023) and one of their biggest fundraising events of the year.

This Classic Car Show was not only for classic cars, there were also antique tractors, motorcycles and truck tractor units, all were welcome. Many antique tractors in the Valley were brought out on Sunday, October 1st for this great event!

A 50/50 draw event was held with prize giveaways etc.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

The Lions had their food booth open selling Octoberfest Sausages with Sauerkraut and Hamburgers. Next door was the Lower Musquodoboit Pastoral Charge with coffee, tea, cinnamon buns etc. I know that all who came out in support of the Lions had a great time!

BI-WEEKLY GREEN CART COLLECTION

The Halifax Regional Municipality is reminding residents that weekly green cart collection service ended on Friday, September 29th.

Bi-weekly green cart collection resumed on Monday, October 2nd. For more information, please visit our [website](#).

To get the most out of your green cart with the least amount of hassle, consider the following tips:

- Place wet food waste in boxboard, or wrap using one sheet of newspaper, before placing in your green cart
- Place your green cart curbside each collection day, even if it isn't full
- Line both your mini-bin and green cart with a paper bag

To ensure collection, residents are asked to place materials curbside, contained and secured to prevent access from wildlife, prior to 7:00 a.m. on collection day. For more information on curbside collection, visit our [website](#).

SOLID WASTE STRATEGY – SURVEY

The Halifax Regional Municipality is conducting a review of its solid waste strategy. This review will focus on strategic initiatives that need to be implemented over the next five to seven years to achieve 2030 objectives and work toward meeting 2050 objectives, including:

- Maximizing reduction, reuse, and recycling of waste resources
- Maximizing environmental and fiscal sustainability of the waste program
- Fostering public stewardship and conservation
- Aligning with [HalifACT goals](#) (new)
- Contributing to the [2022 Environmental Goals and Climate Change Reduction Act](#) (new)

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

From September 25th to October 31st, residents will be able to provide feedback on the future of our municipality's solid waste system through a [survey](#). The survey is focused on obtaining residents' input on the proposed objectives of the strategy review, levels of service delivery, and resident satisfaction with current solid waste services. Several options will be available for residents to access the survey:

- [Online](#)
- Printed copies (regular and large font) may be mailed to residents by contacting 311
 - Requests for mailed copies must be received by October 25th to allow for return mail
- Printed copies will be available for pick-up at each of the municipal [Customer Service Centres](#) at Alderney Gate, Bayers Road and Musquodoboit Harbour locations.
- Solid Waste staff will be present at various events to promote and conduct surveys in person
 - A list of dates/locations will be updated on [Shape Your City](#)

Anyone who requires assistance completing the survey may request an in-person, online or phone meeting by calling [311](#).

This project is funded in part by [the Sustainable Communities Challenge Fund](#) – a Nova Scotia provincial grant initiative administered by the [Nova Scotia Federation of Municipalities](#). In part, this fund supports the implementation of

initiatives that avoid and reduce greenhouse gas emissions and contribute to Nova Scotia's targets for emission reduction. Through this grant, the municipality will receive up to \$306,000 towards eligible expenses associated with the strategy review (approximately 60% of the project budget).

Further questions about the Solid Waste Strategy Review may be directed to: wasteless@halifax.ca.

WAVERLEY ROAD - GUIDE RAIL

From September 21st to October 2nd the Halifax Regional Municipality carried out construction work in the area of **1464 Waverley Road** that required a short period of one lane stop-and-go traffic. The old guiderail and concrete barriers were removed and the shoreline stabilized with riprap to protect against erosion and widened the shoulder to make room for the new guiderail. The construction work generally consists of guide rail removal and disposal, the installation of new guiderail, tree removal, road shoulder widening and embankment erosion protection

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

and other associated reinstatement and incidentals.

We thank you for your patience and cooperation in assisting the Halifax Regional Municipality in improving the level of service to your area and apologize for any inconvenience the work may cause you.

Inquiries related to this project should be directed to:

PROJECT: 23-201 Guide Rail Replacement Waverley Road, across from civic 1464.

HRM INSPECTOR: Faraz Ahmed 902-266-8497.

CONTRACTOR: Dexter

Unfortunately, the work planned for the area of **1291 Waverley Road**, will not be completed in 2023 due to delays associated with environmental permitting.

Construction work is planned for the summer of 2024 including road shoulder widening, guiderail replacement, retaining wall installation, and road embankment stabilization. Barriers will remain in place in the meantime to provide protection to the traveling public.

Communication will be provided to you well in advance of any traffic impacts and to help address questions.

JOB FAIR OCTOBER 3RD – 4TH

[Nova Scotia Works](#), in partnership with the employment centres, FutureWorx, Job Junction, Opportunity Place, TEAM Work Cooperative and the YMCA Halifax, are hosting the [2023 Fall Job Fair](#).

Up to 70 employers in a variety of sectors will be at Cole

Harbour Place, October 3rd-4th from 11:00 a.m. to 4:00 p.m. to meet and hire new talent. *"We are pleased to offer a Fall Job Fair to Halifax and East Hants after the success of our annual Spring Job Fair. Nova Scotia Works job fairs provide an opportunity for job seekers from all backgrounds to directly meet a wide range of employers and promote themselves,"* said Philip Cantrill, Executive Director, Job Junction - Nova Scotia Works.

Over 1000 job seekers are expected to attend the event for the chance to meet hiring managers and talk their way into an interview or even a job. Employers include large and medium businesses, government, and small businesses from a variety of sectors.

Career practitioners from [Nova Scotia Works](#) centres across HRM and East Hants will be offering workshops in advance of the Fall Job Fair to help job seekers navigate this free,

October 2023

HALIFAX

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

wheelchair accessible event. ASL, French and other language services will also be available. *"Our passion is to work with Nova Scotia's job seekers and employers to create a community of success to make Nova Scotia better. To increase the quality of life for Nova Scotians by allowing them to find the right jobs and opportunities that exist in our community,"* Cantrill said.

[Nova Scotia Works](#) partners provide a wide range of free services such as career counselling, case management, resume critiques and workshops to help job seekers find meaningful employment. They also work with employers to connect with potential candidates to keep Nova Scotia businesses moving forward.

FALL RIVER | WAVERLEY – SIDEWALK

HRM Staff have advised that there are currently no sidewalk projects near term in the area of Fall River and Waverley. However, an analysis of road segments was run and there are sections of Fall

River and Waverley where the need for new sidewalks rate relatively high. This means that when a larger road rehabilitation project is happening, we would consider adding a new sidewalk. Whether a sidewalk is added largely

depends on the available budget as well as other factors like property needs and constructability.

Staff recently ran a high-level evaluation for sidewalks in the Fall River / Waverley area. There were segments on the following streets that rated "above average" or "high". Some of these streets already have sidewalks yet rated higher for sidewalks on the opposite side.

Fall River

- Fall River Road
- Jamieson Drive
- Arnold Drive
- Lockview Road
- Highway 2

Waverley

- Rocky Lake Drive
- Cobequid Road
- Waverley Road

As explained earlier, there are no plans for these projects to be completed any time soon. They will be considered when a larger road rehabilitation project is undertaken pending budget approval. For information on how the decision is made on sidewalks, click [here](#).

RIGHT-OF-WAY CHARGE

The Halifax Regional Municipality advises that the Right-of-Way (ROW) charge (formerly referred to as the "Stormwater Right-of-Way charge") has moved from the Halifax Water bill to the municipal tax bill.

The ROW charge will change from a flat \$40 annual fee that has previously appeared on

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

residents' Halifax Water bill (as either a one-time lump sum or quarterly charge) to a new amount (based on the assessed value of the property) that will appear on their next municipal property tax bill in fall 2023.

The ROW charge is for the maintenance of roads, bridges, trees, lighting, signage and guard rails, as well as for the management of stormwater that comes from the public street right-of-way into Halifax Water's stormwater system.

Stormwater is the water from rain, melted snow and ice that runs off from roofs, parking lots, driveways and other hard surfaces. The municipality is responsible for paying Halifax Water for the impact on their stormwater system.

The municipality's ROW charge applies to all properties within the municipal stormwater service boundary. Roads within the municipal stormwater service boundary are owned by the municipality and the services are provided by both the municipality and Halifax Water. For roads outside of the service boundary, services are provided by the Province of Nova Scotia. Halifax Water will continue to collect a separate Stormwater (Site-Related Flow) charge, which can be found at: halifaxwater.ca/rates.

Right-of-Way (ROW) Charge

For more information on this change, please visit: halifax.ca/row or contact 311.

MOBILE HOUSEHOLD SPECIAL WASTE DISPOSAL DEPOTS

Residents looking to dispose of household special waste not acceptable for curbside collection can bring their materials to the following upcoming [mobile household special waste depot events](#):

When: Saturday, October 7th
Where: Mic Mac Mall
21 Micmac Blvd, Dartmouth

When: Saturday, October 1st
Where: Horizon Community School
168 Redoubt Way, Eastern Passage

When: Saturday, October 28th
Where: Eastern Shore Community Centre
67 Park Rd, Musquodoboit Harbour

When: Saturday, November 4th
Where: NSCC Leeds St Campus
5685 Leeds St, Halifax

The mobile drop-off depots will be in operation from 9:00 a.m. to 4:00 p.m. and will take place rain or shine.

Materials accepted at the household drop-off depot include:

- leftover corrosive cleaners
- pesticides/herbicides
- gasoline
- fuel oil and used motor oil (or find a [collection site](#) with Atlantic Used Oil Management Association)
- solvents
- thinners

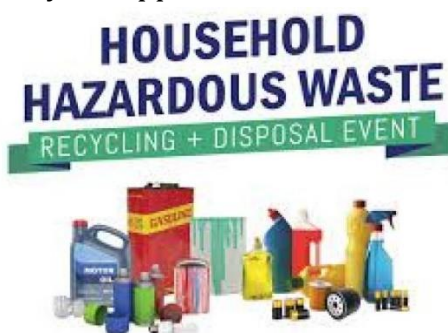

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

- pharmaceuticals and drugs (or return to pharmacy)
- aerosol cans containing hazardous substances
- barbecue propane tanks
- small propane cylinders (for example, those used for camp stoves and propane torches)
- batteries (visit call2recycle.ca for a full list of retail drop-off locations for batteries)
- leftover liquid paint (paint and empty paint cans may also be returned to any Enviro-Depot. Please visit [their website](#) for locations and hours of operation).
- CFL and fluorescent bulbs

The municipality also operates a permanent Household Special Waste Depot at 20 Horseshoe Lake Drive. Drop-off times are on most Saturdays between 9:00 a.m. and 4:00 p.m. The household special waste drop-off depots are open only to residents of the Halifax Regional Municipality. Business waste is not permitted.

For more information on Halifax's solid waste program including updates on future depot events, please [visit the website](#), download the [Halifax Recycles app](#) or call 311.

2023 VOLUNTEER CONFERENCE

The Halifax Regional Municipality is advising residents that registration has opened for the municipality's [2023 Volunteer Conference](#).

This year's conference will take place on Friday, November 17th from 8:00 a.m. to 4:30 p.m. at the Delta Hotels by Marriott Dartmouth, 240 Brownlow Avenue, Dartmouth.

The conference is an opportunity for volunteers to connect, celebrate, and learn relevant skills. Delegates representing a variety of organizations and causes will participate in two training workshops, networking activities and enjoy a keynote speech and seated meal all for only \$35.

Registration will remain open until Sunday, November 12th. For more information, including a complete schedule, click [here](#)

MUNICIPAL PROPERTY TAX

The municipality invoices property tax bills to all property owners twice each year. The tax year covers the fiscal period of April 1st – March 31st. Click here for property tax [payment information](#).

- The first tax bill will be sent out in March and is due on the last working day of April. The second and final bill will be

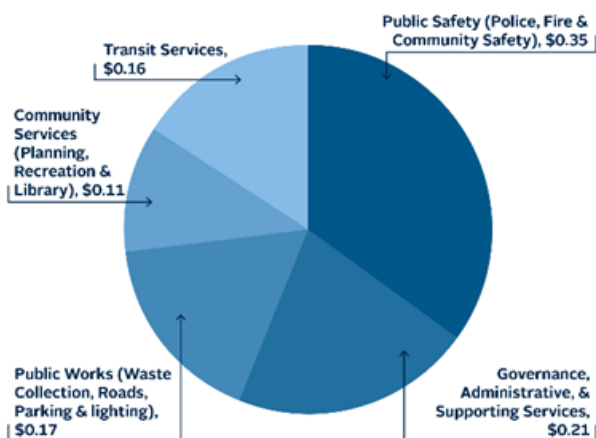

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

sent out in September and is due on the last working day of October.

- The first (or interim) invoice is based on 50 per cent of the current year's estimated taxes, which is the current year's assessment of your property value based on this year's proposed rates. The final invoice is calculated using the current assessment with the current year's rates, less the amount you already paid from the first invoice.
- Tax calculations are based on the taxable assessed value of the property multiplied by the applicable [tax rate](#). The taxable assessed value is determined by the [Property Valuation Services Corporation](#). The tax rate is the sum of two levies: a general rate (urban, suburban, or rural) and the area rates for your district.

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

MIDDLE MUSQUODOBOIT RCMP DETACHMENT

The new RCMP Detachment in Middle Musquodoboit is a 196 square meter modular building that was constructed by [CORCAN](#) at the Dorchester Penitentiary and delivered to site. CORCAN is a key rehabilitation program of the Correctional Service of Canada (CSC) that offers employment training and employability skills to offenders in federal correctional institutions, to support rehabilitation and help lower rates of re-offending. As a key rehabilitation program for CSC, CORCAN uses on-the-job training for sectors such as construction, to help offenders develop and practice essential employment skills.

This pilot project between the RCMP and CORCAN was the first time CORCAN built an RCMP detachment in Atlantic Canada. The total cost of the project totalled \$2.5 million and went from concept to completion in 13 months. As the pilot project has been deemed successful, the RCMP will be re-using this design, and delivery methodology at other locations in Atlantic Canada in the future.

HAZARD RISK VULNERABILITY ASSESSMENT

Concerned about the impact of emergencies and disasters in our community? Check out these public engagement opportunities with HRM's Emergency Management Division.

The Hazard Risk Vulnerability Assessment rescheduled dates are now confirmed for:

October 23rd

12390 Hwy. 224, Middle Musquodoboit
7:00 p.m. to 9:00 p.m.

October 26th

[Waverley Legion](#)

2234 Rocky Lake Drive, Waverley
7:00 p.m. to 9:00 p.m.

Don't forget to fill out the online [survey](#).

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

IN THE COMMUNITY....

Carroll's Corner Mastodon Trail

The Carroll's Corner Mastodon Trail suffered extreme damage from the recent heavy rain events with sections of the trail being completely washed away. They have spent all the annual trail maintenance funds on material and equipment rentals but have only managed to get the trail back to a state where it is useable with caution. They were able to put a rough base in areas where the trail was eroded to the landscape fabric but need funds to restore the trail back its trail standards.

I was pleased to provide District 1 Capital funds in the amount of \$1,000 to help in some small way towards a \$10,000 repair. Thankfully, Jim Reid Trail Representative shown in the above photo, is up on all available government funding programs and hopes to raise what is needed.

October 2023

There has also been community support with donations in kind (labour and the loan of needed equipment). If you haven't walked or hiked this beautiful trail, I recommend it highly!

I was thrilled to attend the first annual CNIB Guide Dog Gala event.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

I was honoured to attend the 40th anniversary gala for the Black Cultural Centre along with fellow Council colleagues, Waye Mason, Pam Lovelace, Iona Stoddard and Trish Purdy.

I was pleased to be in attendance at the flag raising for Truth & Reconciliation Day along with fellow Council colleagues and Deputy Mayor Sam Austin.

I was pleased to participate in the recent community meeting held for the Lakeside, Waverley, Fall River and area communities organized by MLA Brian Wong's office.

It was an honour to be in attendance at the flag raising for Mi'kmaw History Month. I was so pleased to hear all the inspiring words and acknowledge that as Mayor Savage said - we know we have an imperfect past however we can make a better future.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

FREE FAMILY PUMPKIN CARVING

Join us for a free family pumpkin carving event hosted by Youth Ops participants this October!

Location:

[Gordon R. Snow Community Centre](#)

1359 Fall River Road, Fall River

Date

Saturday, October 14th

Time:

1:00 p.m. to 4:00 p.m.

One free pumpkin will be provided per family and you can register [here](#) for the event.

October 2023

EARLY CHILDHOOD DEVELOPMENT

I have been asked to share this invitation with you by the Department of Education and Early Childhood Development.

Dear parents and primary caregivers,

This October, the Department of Education and Early Childhood Development will be hosting community conversations in several locations across the Province to listen and learn from you. Sessions will explore early learning and childcare needs and opportunities within childcare centres, family home based care and before and after school care. Sessions will not explore the pre-primary and public school system.

What you need to know:

*In-person sessions are limited to 30 spaces each so that meaningful conversations can take place and everyone's voice is heard. Sessions will be highly interactive. Those that register should be eager to take part and openly participate in discussions with the Department and other attendees. Sessions will take place between **October 3 and 24** in locations across the province. All sessions will take place from **6-8pm**. Visit [here](#) to register.*

Can't attend? We still want to hear from you!

An online survey and exchange of ideas is available for all Nova Scotians, including those that attend sessions and those that do not. You can learn more [here](#).

What's Next?

The next step in the process is to hear from Early Childhood Educators, Operators, and sector partners. This will take place in the new year.

COUNCILLOR CATHY DEAGLE GAMMON

WAVERLEY - FALL RIVER - MUSQUODOBOIT VALLEY

The results of the entire consultation process will be shared in a public report once all sessions have been completed.

We look forward to hearing from you!

The Department of Education and Early Childhood Development

COMMUNITY HALLS/CENTRES
