HRP to Host Bike Rodeo

As part of HRM Bike Week (May 31 to June 9), Halifax Regional Police is hosting

a bike safety rodeo for children on June 2 from 3 pm to 5:30 pm at the Emera Oval on the Halifax Commons. This free event is a great opportunity for parents and children to learn about the rules of the road and safe biking tips. Bring your bicycle and helmet for some fun, hands-on guidance to bike maintenance and safety. The rodeo is happening in conjunction with the MEC Bikefest and HCC Open Street Party. All students in grades primary through six, currently living in HRM, are invited to submit their suggestions for the mascot's name by sending an email to ContactHRP@halifax.ca with the following information: suggestion for the mascot's name; reason for choosing that name; name and age; school and grade; and, telephone number or email address.

The contest closes on June 9. The winning name will be selected by a panel of Halifax Regional Police employees. The winner will receive a prize pack, go on a special tour of police headquarters and have lunch with the Chief of Police.
