REenvision project
Your Community. Your Police Service. Your Say.

HRP Extends Survey Deadline

In an effort to hear what more people have to say when it comes to the future direction of policing in HRM, Halifax Regional Police (HRP) has extended the deadline for their online survey.

Citizens will now have until Friday, November 15 to complete the survey found at <https://fluidsurveys.com/s/REenvisionHRP/>.

HRP needs to hear from more of our citizens and employees to have a true sense of what is expected of HRP going forward. It was decided to extend the deadline to give everyone an opportunity to have their say.

HRP launched the 10-year strategic planning initiative called the REenvision Project on October 3 with an original survey deadline of October 31.

It is important to receive citizen input to ensure that HRP is moving in the direction that will best serve your needs and the needs of all communities.
