Ridematching

Welcome to **HfxRidematch.ca**. It's a simple way to find friends, classmates and coworkers going your way. Our online ridematching system makes it easy to share seats or to catch a ride. Just about anyone can carpool - the distance of your commute doesn't matter, as long as the pickup and drop off points are agreed upon.

The system matches people based on proximity to origin and destination points and travel route as well as similar working hours and compatible carpooling preferences.

HfxRidematch.ca is FREE to use. It's secure. It's easy. It's fast.

[Register now!](#)

A confidential matchlist is returned instantly when you search for carpool partners. No personal

information is released to potential matches. Simply email the individuals on your matchlist and then it's up to you to discuss the arrangements so that your new carpool will work for you!

Mary Clayton Memorial Park

The Willett Street Reserve was recently re-named the Mary Clayton Memorial Park to honour the contributions of the Clayton family to HRM. It is located at 274 Willett Street.

The park re-naming is part of Regional Council's recent approval of naming requests for certain city properties recommended by the Asset Naming Committee.

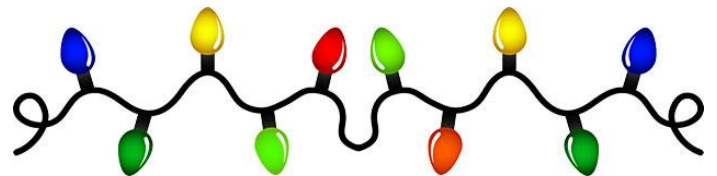

Annual Holiday Parade of Light

For information on the annual Holiday Parade of Lights scheduled for Saturday, November 16th, 2013.

Visit their website.

The annual Holiday Parade of Light will be held in Downtown Halifax on Saturday, November 16th from 4:30 pm to 6:15 pm in Downtown Halifax. The Parade begins on Upper Water Street at Cornwallis Street, continues over the Barrington Street overpass onto Barrington Street and turns right onto Spring Garden Road. It then turns left on South Park and then right onto University Avenue, concluding at the corner of University Avenue and Robie Street. Parents are reminded to keep children off the street and on the sidewalk at all times. There will be no parking along the Parade route. The public is encouraged to use Metro Transit and expect traffic and parking delays.

Halloween Safety Tips

-  Watch for cars
-  Wear bright reflective clothes
-  Wear face paint instead of masks
-  If you need to wear a mask, make sure eye holes are big enough to see through
-  Flash lights or glow sticks help people see you at night
-  Trick or treat in a group
-  Have parents check your treats

Have fun but remember to be safe!
