Dear Mr. Deveau,

I am writing on behalf of Halifax & West Community Council, which deliberates on planning applications and monitors the provision of municipal services in Districts 7 through 12 of the Halifax Regional Municipality.

At our last meeting, held on July 22, 2013, Community Council discussed seasonal parking issues along Coolens Road, Shad Bay. Some residents, wishing to access the shoreline, are illegally parking their cars and blocking the right of way in the process. As this is a provincial road, we ask that your team investigate this matter to ensure public safety and to normalize the traffic flow. We will be making the same request to the local RCMP detachment.

I thank you in advance for your cooperation.

Sincerely,

Linda Mosher
Chair, Halifax & West Community Council
