

Youth Opportunities in Sackville

With the Holiday Season comes a break from school, and for some parents, the challenge of finding something to do with the kids.

The Boys and Girls Club of Sackville mission is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life. They boast a fine reference library for opportunities and services for the youth in our community. From health and family resources, educational resources, arts and creativity, Volunteer opportunities to Sports and Recreation, and more. This is an excellent way to find out what else the community has to offer for both young and old. For more information on what the Boys and Girls Club of Sackville have to offer, please call 902-865-5010 or visit their website at www.bgcsackville.ca

The Sackville Sports Stadium also has programs for kids of all ages. Recently, they have reduced the fees for public skating. It is now \$3 per person or 8.50/family.

Don't forget Halifax New Year's Eve Events...FREE live entertainment extravaganza planned for the New Year's Eve show in Grand Parade.
