

Councillor Steve Craig
District 15
Lower Sackville

Dear Residents,

I hope your summer is going well. As we enter the last month before the school year starts, there is still no shortage of fun summertime events and things to do with friends and family.

If you haven't already, please head to Acadia Recreation Park and see the Italian water fountain donated by the Sackville Kinsmen.

Also, Natal Day celebrations are underway, and I thought I would update you briefly on the schedule of events for the weekend. I plan on attending both garden parties and the pancake breakfast, and I would love to see you there!

Respectfully,
Steve
