**DATE:** March 20, 2018

**SUBJECT:** **H00458: 2018/2019 Heritage Incentive Program**

---

### **ORIGIN**

Regional Council approved Administrative Order Number 2014-002-ADM Respecting the Heritage Incentives Program. Applications for financial assistance through the Heritage Incentive Program are accepted annually from January 1<sup>st</sup> to March 1<sup>st</sup>.

### **LEGISLATIVE AUTHORITY**

*Heritage Property Act, R.S.N.S., 1989, c. 199, section 22:*

“Financial Assistance

22(1) The Minister, subject to the approval of the Governor in Council, may provide financial assistance in respect of provincial heritage property and the council may provide financial assistance in respect of municipal heritage property or property located in a heritage conservation district to any person to assist in the restoration or renovation of such property upon such terms and conditions as the Minister or the council, as the case may be, deems fit.”

Administrative Order Number 2014-002-ADM, Respecting the Heritage Incentives Program

### **RECOMMENDATION**

It is recommended that the Heritage Advisory Committee recommend that Regional Council approve the recommended grants to the properties listed in Attachment A, and approve as ‘standby’ the recommended properties listed in Attachment B, conditional upon the applicants’ compliance with Sections 29 through 35 of Administrative Order Number 2014-002-ADM.

### **BACKGROUND**

The Heritage Property Program supports the conservation, preservation and promotion of municipally registered heritage properties located throughout the Halifax Regional Municipality. One of the tools that the Program uses to achieve these goals is annual grant funding through the Heritage Incentive Program. This Program was approved by Regional Council on April 1, 2014 through Administrative Order Number

2014-002-ADM. It provides matching grants of up to \$10,000 to successful applicants undertaking exterior conservation work to registered heritage properties.

## **DISCUSSION**

Applications to the 2018/2019 Heritage Incentive Program were accepted from January 1<sup>st</sup>, 2018 to March 1<sup>st</sup>, 2018. Staff received and reviewed 26 applications. One application was deemed incomplete and was not considered for funding.

Eligible applications were evaluated and ranked based on the following scoring system (Table 1):

<b>Criteria</b>	<b>4 Points</b>	<b>3 Points</b>	<b>2 Points</b>	<b>1 Point</b>
<b>Location</b>	Halifax County	Halifax North End	Dartmouth & Remainder of Halifax	Halifax South End and Downtown
<b>Type of Work</b>	Roof and Foundation	Masonry, Cladding & Window Repair	Window Replacement	Painting, etc.
<b>Visibility</b>	N/A	N/A	Front & Visible Sides	Rear & Non-Visible
<b>Number &amp; Amount of Previous Grants</b>	N/A	First Time Applicants	Previous Grants <\$10,000 (Cumulative)	Previous Grants >\$10,000 (Cumulative)
<b>Building Conservation Plan</b>	N/A	N/A	N/A	Application Supported by BCP

The proposed Planning and Development operating budget for 2018/19 includes grant funding of \$150,000 for the Heritage Incentive Program. The total value of the eligible grant applications is \$174,921. As a result, some projects are not recommended for funding at this time.

The 21 highest scoring applications are recommended for approval without exceeding the program's budget. These properties are listed in Attachment A. The four projects that cannot be funded within the current program budget are recommended to be included on a standby list. Should an approved project not proceed or the actual expense of an approved project be less than the submitted estimate, Staff will allocate the excess funds to the properties on the standby list. A list of the properties recommended to be placed on the standby list is contained in Attachment B. All applications must comply with the provisions of the Administrative Order (Attachment C).

Attachment D provides additional information regarding the properties and proposed projects for each of the applications recommended for funding and standby approval.

## **FINANCIAL IMPLICATIONS**

The total funding amount of \$150,000 for the 2018/2019 Heritage Incentive Program grants is included within the proposed 2018-19 operating budget for cost centre C002 – Urban Design.

## **RISK CONSIDERATION**

There are no significant risks associated with the recommendations contained within this report. The applications may be considered under the existing Heritage Property Program. The Heritage Advisory Committee has the discretion to make recommendations that are consistent with the Heritage Property Program.

### **COMMUNITY ENGAGEMENT**

The administration of the Heritage Incentive Program is an internal HRM process that was adopted after a public consultation process consistent with the intent of the HRM Community Engagement Strategy. The level of community engagement was information sharing achieved through public accessibility to the required Heritage Advisory Committee meeting.

### **ENVIRONMENTAL IMPLICATIONS**

No implications have been identified.

### **ALTERNATIVES**

The Heritage Advisory Committee could forward a negative recommendation for some or all of the applications with respect to the awarding of the grants as outlined in this report.

Administrative Order Number 2014-002-ADM

HALIFAX REGIONAL MUNICIPALITY  
ADMINISTRATIVE ORDER NUMBER 2014-002-ADM  
RESPECTING THE HERITAGE INCENTIVES PROGRAM

**WHEREAS** pursuant to *Heritage Property Act*, R.S.N.S. 1989, c. 199, the Council of the Halifax Regional Municipality may provide financial assistance in respect of municipal heritage property to any person to assist in the restoration or renovation of such property upon such terms and conditions as the Council deems fit;

**BE IT RESOLVED AS AN ADMINISTRATIVE ORDER** of the Council of the Halifax Regional Municipality as follows:

### **Short Title**

1. This Administrative Order may be cited as Administrative Order Number 2014-002-ADM, the Heritage Incentives Program Administrative Order.

### **Purpose**

2. To encourage the conservation of privately-owned, municipally registered heritage properties used for residential or commercial purposes. Within the limits of the annual approved budget, the Heritage Incentives Program provides matching grants of up to \$10,000 for eligible exterior conservation work.

### **Interpretation**

3. For the purposes of this Administrative Order, “municipally registered heritage property” has the same meaning as “municipal heritage property” in the *Heritage Property Act*, R.S.N.S. 1989, c. 199.

### **Financial Assistance Available**

4. The Heritage Incentives Program operates on the Municipality’s fiscal year, from April 1<sup>st</sup> to March 31<sup>st</sup>.
5. Twenty-five per cent (25%) of the annual heritage incentives budget is allocated to applications relating to commercial heritage properties. This is a proportionate allocation based on the fact that commercial buildings make up 25% of the HRM heritage registry. Any funds not used for commercial properties will be made available to residential applications.
6. Financial assistance is awarded on a 50% cost-sharing basis, exclusive of HST.
7. The maximum annual amount of financial assistance per property is \$10,000.00.
8. The minimum annual amount of financial assistance per property is \$500.00.
9. Each property is limited to one application for financial assistance per year, and two successful applications in any four year period.

### **Application Requirements**

10. There is one intake period per fiscal year. Applications will be accepted between January 1<sup>st</sup> and March 1<sup>st</sup> for the following fiscal year.
11. All applications must be received by mail or in person. E-mailed or faxed applications will not be accepted. The address for submission of applications will be posted on [www.halifax.ca](http://www.halifax.ca) prior to January 1st of each year.
12. Applications must include:
  - (a) a completed application form;

- (b) recent photographs of all sides of the building, with close-ups of the areas of work for which the grant is applied;
  - (c) two contractor estimates for the proposed work; and
  - (d) where the applicant is a condominium corporation, a copy of the board of director minutes approving the submission of the grant application.
13. Late or incomplete applications will not be reviewed or considered.

#### **Eligible Property**

14. Only eligible property will be considered for financial assistance.
15. An eligible property must be:
- (a) a privately-owned, registered municipal heritage property within HRM; and
  - (b) in use for residential or commercial purposes.
16. A property is not eligible for financial assistance if the property is currently under investigation or prosecution for land-use, Building Code, Fire Code, or Heritage Property Act violations, or is subject to an order to comply under any Act or By-law, or has any liens or property taxes outstanding.

#### **Work & Materials Eligible for Financial Assistance**

17. Projects which restore exterior architectural elements significant to the heritage value of the registered heritage property, including any of the following, are eligible for financial assistance:
- (a) **Preservation** of existing exterior architectural elements. This includes, for example, repair of deteriorated windows and doors, cladding, roofing, foundation, cornices, moldings, architectural trim, and other significant features.
  - (b) **Replacement** of existing exterior architectural elements that still exist but which are beyond preservation or repair. This includes replacement in kind of deteriorated doors and windows, cladding, roofing, cornices, moldings, architectural trim, and other significant features, using accurate reconstruction and materials, sizes, and configurations that match the original.
  - (c) **Restoration** of exterior architectural elements which have been lost but for which the appearance can be clearly determined from physical evidence or documentary sources such as historic drawings or photographs.
  - (d) **Painting** in colours appropriate to the period of the heritage property. Generally, colours from the heritage palette of the major paint manufacturers are preferred.
  - (e) **Preservation/restoration of historic outbuildings or landscape features**, such as fences, walls or gates which form part of the original, documented heritage value of the property.
18. To be eligible, projects must use traditional materials (wood, stone, brick, etc.) and traditional designs.

#### **Work & Materials Ineligible for Financial Assistance**

19. The following work and materials are ineligible for financial assistance:
- (a) work that has been commenced or completed prior to submission of the application;
  - (b) modern materials such as vinyl or aluminum clad windows, steel doors, vinyl siding, or Exterior Insulation Finishing System cladding;
  - (c) short-term, routine maintenance including minor repairs;
  - (d) poor or defective work; or
  - (e) labour undertaken by the owner.

#### **Project Evaluation and Prioritization**

20. Projects will be evaluated using HRM *Heritage Building Conservation Standards* as adopted by By-law H-200, or any other guidelines for the conservation of heritage properties that may be adopted by By-law H-200 from time to time.
21. The following criteria will be used to prioritize applications:
- (a) Preference given to first-time applications.

- (b) Higher priority will be given to preservation and restoration of historic structural and weatherproofing elements than to cosmetic improvements, e.g., restoration of cladding, windows, doors, or roof has greater priority than painting.
- (c) Preference will be given to restoration of publicly visible features, e.g., an application for restoration of a front porch would have higher priority than a back porch restoration.
- (d) Balance will be sought between applications from different parts of HRM, e.g., Halifax South End, Halifax North End, Dartmouth, Bedford, South-Western shore, Eastern Shore, etc.
- (e) Preference will be given to applications supported by a Building Conservation Plan prepared by an architect, building inspector, engineer, or other qualified restoration professional. The Building Conservation Plan shall be a drawing or report which reasonably illustrates all work required for the building.

### **Application Review Process**

- 22. All applications will be screened by staff for basic eligibility as they are received. Applicants will be notified promptly if their application is ineligible.
- 23. Eligible applications will be evaluated and prioritized by staff and a report and recommendations will be prepared for consideration by the Heritage Advisory Committee, no later than June 30th each fiscal year.
- 24. The staff report will be reviewed by the Heritage Advisory Committee for recommendation to Regional Council.
- 25. Final approval of all applications for financial assistance, and their amount, is a decision of Regional Council in its sole discretion. Regional Council may:
  - (a) approve the application;
  - (b) approve the application to be placed on a waiting list to be administered by staff in accordance with funds available in the program budget; or
  - (c) refuse the application.
- 26. Notification of the decision of Regional Council will be mailed to applicants after it is made.
- 27. Approval of financial assistance is conditional on Regional Council's approval of the annual program budget.
- 28. Due to limited funds, not all eligible applications may receive financial assistance.

### **Conditions of Approval & Payment of Financial Assistance**

- 29. Projects must be completed within the fiscal year for which they are approved.
- 30. Financial assistance is conditional on satisfactory completion of approved work, photographic documentation of completed work, and submission of well-organized receipts and paid invoices.
- 31. Deadline for submission of receipts and paid invoices is March 1st each fiscal year. This is necessary to enable payments to be processed by end of fiscal year.
- 32. Financial assistance for projects not completed by the end of the fiscal year will be forfeited.
- 33. Financial Assistance is tied to specific approved work. Additional work beyond what is budgeted for and approved will not be funded.
- 34. The applicant shall notify HRM of any changes to the approved work prior to it being undertaken and shall not proceed with the work without supplementary approval. The authority to give such approval is hereby delegated to the Heritage Property Planner. Approval may be sought at any time in the fiscal year for which the financial assistance was approved, but must be sought prior to the submission of receipts and paid invoices. Work that deviates from the approved work without a supplementary approval may not be eligible for funding and, at the discretion of HRM, such funding may be withheld and re-allocated to another heritage property.
- 35. For projects which result in cumulative financial assistance of \$10,000.00 or more, no funds shall be paid until the applicant has signed an *Agreement to Waive Section 18 of the Heritage Property Act* and filed the agreement, at their cost, at the Registry of Deeds. Under the agreement, which runs with the property, the applicant agrees not to demolish or alter the exterior appearance of the property in any manner without the written consent of HRM and expressly waives its rights under section 18 of the Heritage Property Act for ten (10) years from the date of the agreement. Waivers must be filed at the Registry of Deeds within 6 months after the end of the fiscal year in which the financial assistance has been approved: failure to do so will result in forfeiture of funds.

**Scope**

36. Nothing in this Administrative Order shall be interpreted to limit or otherwise prescribe Council's general discretion to provide financial assistance under the *Heritage Property Act* or otherwise.

**Effective Date**

37. This Administrative Order comes into force beginning with applications for the 2015-16 fiscal year.

Done and passed in Council this 1st day of April, A.D. 2014.
