SUBJECT: By-Law A-404 – Amendments to the *Alternative Voting By-Law*

ORIGIN

This report originates from staff as a result of amendments to the *Municipal Elections Act*. These amendments, in turn, require the *Alternative Voting By-law* be amended in advance of 2016 Municipal and School Board Elections.

LEGISLATIVE AUTHORITY

Municipal Elections Act, subsections 146A (1), (2) & (3) as follows:

146A (1) A council may by by-law authorize voters to vote by mail, electronically or by another voting method.

- (b) the form of the ballots where applicable;
- (c) the swearing in and voting on election day;
- (d) the method of counting the ballots or votes; and
- (e) the rejection of ballots or votes.

(3) The by-law may provide for

- (a) the contents of voters kits;
- (b) the places where voting can occur or ballots can be delivered instead of mailing, if applicable;
- (c) the process for sorting, storing or cataloguing any ballots received;
- (ca) voting by telephone, via the Internet or by any other electronic means, including a combination of different electronic means;

- (d) any matter or thing necessary to effectively conduct the election, including matters or things under Sections 75, 76, 77, 78, 79 and 86.

RECOMMENDATION

It is recommended that Halifax Regional Council adopt By-law A-404, further amending By-law A-400, the *Alternative Voting By-law*, as set out in Attachment 2 of this report.

BACKGROUND

On June 17, 2008, Regional Council adopted By-law A-400, the *Alternative Voting By-law* (“By-law”). This By-law allows Regional Council to set, by resolution, the hours and dates for voting by telephone or internet for municipal and school board elections. The By-law has been amended by Council from time to time to reflect the process by which internet and telephone voting (“alternative voting”) has been provided for specific elections and to reflect changes in the *Municipal Elections Act*.

On April 5, 2016, Regional Council approved using alternative voting as one of the methods of voting for the 2016 Municipal and School Board Election. Regional Council set the time for alternative voting to begin on Tuesday, October 4, 2016 at 8:00 am and run continuously through to Thursday, October 13, 2016 at 7:00 pm.

On December 18, 2015 the House of Assembly passed Bill 139, *Municipal Elections Act (Amended)*. This Bill came into force on April 15, 2015 and made a number of changes to the *Municipal Elections Act* which affect the By-law, including allowing the By-law to include auditor provisions, creating two new forms of the list of electors, repealing Certificates of Eligibility, and providing that a person is ordinary resident for the purposes of voting if he or she resides in the Municipality within 6 months of the first advance poll.

DISCUSSION

Auditor

Bill 139 allows the By-law to include Auditor provisions. To date, the By-law only requires an Auditor, as one of the System Elections Officers, to maintain and aid in maintaining the secrecy of the voting. The remainder of the auditor provisions have been included in the procedures and forms the Returning Officer is required to issue sixty days before ordinary polling day (by Tuesday August 16, 2016). Staff is recommending that the By-law be amended to require that the Auditor comply with the procedures and forms issued by the Returning Officer. As well, staff is recommending that the By-law be amended to require that the Auditor verify that the counts for all the candidates in the voting system is set at zero before alternative voting starts and, if the counts are not at zero, that voting be delayed until the counts are set to zero. This will aid in protecting the accuracy of the election results.

List of Electors

Bill 139 creates two new forms of the List of Electors, being the Amended List of Electors, and the Revised List of Electors. The Amended List of Electors is the list of electors with all the revisions made to the Preliminary List of Electors until the Revised List of Electors is completed and certified by the Returning Officer. Three days prior to the first advance poll, (October 5, 2016 for the 2016 election) the Amended List of Electors and all revisions to it, will be certified by the Returning Officer. Once it is completed and certified, the Amended List of Electors becomes the Revised List of Electors. The Final List of Electors now consists of the Revised List of Electors together with all revisions to it. The Final List of Electors is now required to be created by the Returning Officer and must be provided to the Chief Elector Officer within 60 days of ordinary polling day (by Wednesday December 14, 2016). The Final List of Electors is no longer the list of electors used at the polling stations.

The By-law needs to be amended to include the new Amended List of Electors and the new Revised List of Electors. Staff is recommending that the By-law be amended to remove the definition of “Final List of Electors” as it will no longer be created until after the election is completed and replace it with the term “list of electors”. The term “list of electors” is defined to be the Preliminary List of Electors until the Revised List of Electors is created, or after the Revised List of Electors is created, to be the Revised List of Electors. Either of these two lists of electors could be applicable depending on when Council sets the time

for alternative voting. For the 2016 election, both these list are applicable. When alternative voting commences on October 4, 2016, the Amended List of Electors will be the applicable list of electors. On October 5, 2016 until the end of voting on Election Day October 15, 2016, the Revised List of Electors will be the applicable list of electors. There are corresponding amendments throughout the By-law replacing the term “Final List if Electors” with “applicable list of electors”.

Certificate of Eligibility and Procedures and Forms

Bill 139 repeals Certificates of Eligibility as a means of being added to the List of Electors in favour of the general power under subsection 36(1) of the *Municipal Elections Act*. Under this subsection, a person may apply to be added to the list of electors by telephone, in writing or in person. Bill 139 also changed when a person must be ordinarily resident in the municipality for the purposes of voting. The Bill changed the time period from three months immediately preceding ordinary polling day to six months before the first advance polling day.

Normally, the repeal of the Certificate of Eligibility and when a person is ordinary resident would require amending the forms to the By-law to reflect these changes. However, staff is recommending that all the forms to the By-law be repealed as the *Municipal Election Act* already requires that Returning Officer to issues forms for the election within 60 days before ordinary polling day. By repealing the forms from the By-law, the Returning Officer could revise them for each election allowing the forms to remain current. This requires consequential amendments to remove the language in the By-law referring to the form “attached to the By-law” and adding language to the form specified “in the procedures and forms”.

Housekeeping Amendments

There are two housekeeping amendments staff have identified. Staff is recommending that:

- in section 2, the colon be replaced by a comma for consistency with other by-laws, and
- in section 20, the titles “election officer” and “system election officer” be capitalized for consistency with the remainder of the By-law.

FINANCIAL IMPLICATIONS

There are no budget implications associated with this report.

RISK CONSIDERATION

There are no significant risks associated with the recommendations in this Report as these amendments will align the By-law with the changes to the *Municipal Elections Act*. The risks considered rate Low.

COMMUNITY ENGAGEMENT

The municipality completed a citizen engagement initiative in Spring 2015 with respect to elections. Where possible, input from the public will be referenced and incorporated in the planning process.

ALTERNATIVES

Regional Council could refuse to enact By-law 404. This is not recommended by staff as the By-law would not be in alignment with the amended Municipal Elections Act of Nova Scotia.
