BACKGROUND

This report outlines the recommended Regional Special Events grant awards for the 2017/18 funding intake. All Regional Special Events grant recommendations are governed by Administrative Order 2014-021-GOV, Respecting Regional Special Events Grants. This is the second grant intake under the Administrative Order (AO), which was approved in May 2015. There is one intake per year in which staff undertakes the grant application and evaluation process as outlined in the AO. This community event grant report is reviewed by the Grants Committee, whereas the Special Events Advisory Committee (SEAC) reviews large scale annual, emerging and one time tourism event grants which are administered through Administrative Order 2014-020-GOV Respecting Marketing Levy Special Event Reserve Grants and funded from the Community and Events Reserve, Q621.

DISCUSSION

Regional Events AO

The AO on Regional Event Grants establishes consistent and equitable funding for community and cultural events and includes four funding programs:

- Community Celebrations – Provides support for small scale community events that are organized primarily for the benefit and enjoyment of local residents, coincide with a community gathering or civic holiday, and are free to the public to attend.
 - i. Maximum grant award in this program is \$1,000.
- Established Community Festivals – Provides support for existing community events that are organized primarily for the benefit and enjoyment of local residents, are accessible to the public with free or low cost activities, have been in existence for a minimum of three consecutive years, and have a minimum budget of \$10,000.
 - ii. Maximum grant award in this program is \$25,000.
 - iii. Option to provide up to three years of sustainable funding.
- Significant Anniversaries – Provides support for community events organized around major quarterly anniversaries (25, 50, 75, etc.) that celebrate HRM's heritage and community and have a minimum budget of \$7,500.
 - iv. Maximum grant award in this program is \$10,000.
- Cultural Events & Showcases – Provides support for arts and culture festivals that program strong cultural content, further the disciplines of literary, media, performing and visual arts, are accessible to the public with free or low cost activities, have a minimum budget of \$50,000, and further the principles and objectives of the HRM Cultural Plan.
 - v. Maximum grant award in this program is \$60,000.
 - vi. Option to provide up to three years of sustainable funding.

The Community Celebrations, Established Community Festivals and Significant Anniversaries programs have a total budget of \$215,000 funded from the operating budget C760. The Cultural Events & Showcases Program has a budget of \$200,000 funded from the Community and Events Reserve, Q621.

Three year sustainable funding

The AO for Regional Special Event Grants provides the ability to award multiple year (3) funding to organizations under the Established Community Festivals and Cultural Events & Showcases programs. In 2016 Regional Council approved funding for these two programs awarding the full budget for the 2016/17, 2017/18 and 2018/19 fiscal years. As noted in the May 10, 2016 staff report, should Council award the total budget allocation, this would prevent any public calls for applications until the 2019/20 fiscal year. Therefore, only two programs are open to application to annual events for the 2017/18 and 2018/19 fiscal years: Community Celebrations and those events celebrating quarterly anniversaries.

Events that received multiple year funding are dependent on the approval of HRM's annual budget and are required to submit annual post-event reports for review. Any concerns are noted and will be brought

forward to the Grants Committee for discussion. All reports have been submitted to staff and there are no concerns with any of the organizations.

“Light Up Bedford Parade” Established Community Festivals

In 2016, the annual event “Light Up Bedford Parade” did not submit an event grant application, rather the organization submitted a separate Special Events Task Force (SETF) application for municipal services, which the group believed was the event grant application. As such, the event was not included in the report that was prepared for Council for consideration of an event grant under the Established Community Festivals program. Because the event had previously received funding through the former Annual Events program, a grant equivalent to its previous award was paid from the HRM Civic Events operating budget for 2016/17, in keeping with comments in the report before Council when the Administrative Order was adopted that while these Annual Event Grant Program recipients would need to apply through the new Administrative Order, HRM would commit to funding that would be no less than equal to their respective 2014/15 amounts.

The “Light Up Bedford Parade” made an application for 2017/18 to be considered as an Established Community Festival; however, that program is not currently accepting applications as its budget is at capacity. Therefore, staff is recommending that the Grants Committee recommend to Regional Council that the “Light Up Bedford Parade” be awarded a grant of equivalent value in accordance with section 36 of AO 2014-021-GOV, which states: “Notwithstanding this Administrative Order, an application for an event may be considered by Council or Grants Committee for a grant”. Staff further recommends that, subject to Regional Council of the 2018/19 budget, the “Light Up Bedford Parade” be awarded a grant of equivalent value in 2018/19. Funding is available in the C760 operating account. This will align its grants with other events currently approved for 3-year funding under the Established Community Festivals program. They will all be required to submit an application when the program reopens to applicants for the 2019/20 fiscal year.

Eligibility

There were 25 applications submitted for funding to the 2017/18 grant intake process. Twenty-four applications were deemed eligible and recommended for funding; and 1 application was deemed ineligible.

Ineligible

The DND Family Days application was deemed ineligible as the proposed event is organized by a ‘government agency’. The Administrative Order 2014-021-GOV states that ‘government agencies’ are not eligible for funding.

Evaluation

As per the Regional Special Events AO, all applications are evaluated on:

- Community engagement;
- Community cultural development;
- Demonstrated financial need; and
- Demonstrated added value to the community.

Community engagement is evaluated based on volunteer involvement, diversity, accessibility, attendance and programming. Community cultural development is based on the provision of arts and cultural programming and experiences. Demonstrated financial need is evaluated on access to potential sponsorship as well as the ability to self-fund. Demonstrated added value to the community is evaluated on the impact of the experience that would have otherwise not been available to the community in which the event is held.

Summary of Recommended Funding

The proposed Regional Special Events funding amounts for the eligible events are displayed in Table 1 for 2017/18 and Table 2 for 2018/19, with details outlined in Attachment 1.

Table 1: 2017/18 Proposed Regional Events Funding			
	# of Events	17/18 Requests	17/18 Proposed
Community Celebrations	21	\$17,875	\$14,775
Light Up Bedford Parade	1	\$4,500	\$4,500
Significant Anniversaries	2	\$16,000	\$10,500
TOTAL 2017/18 Regional Events	24	\$38,375	\$29,775

Table 2: 2018/19 Proposed Regional Events Funding		
	# of Events	18/19 Proposed
Light Up Bedford Parade	1	\$4,500
TOTAL 2017/18 Regional Events	1	\$4,500

FINANCIAL IMPLICATIONS

All Community Celebrations, Significant Anniversaries and Established Community Festival recommendations can be accommodated in the approved 2017/18 operating budget for Community/Civic Events, account C760-6933. With Regional Council's approval of a two year budget, the 2018/19 recommendation can also be accommodated in the 2018/19 budget, account C760-6933.

There are no outstanding funds owing to the municipality by any of the recommended applicants.

RISK CONSIDERATION

There are no significant risks associated with the recommendations in this Report. The risks considered rate Low.

COMMUNITY ENGAGEMENT

The Grants Committee includes members of the public.

ENVIRONMENTAL IMPLICATIONS

None identified.

ALTERNATIVES

Alternative 1: The Grants Committee may choose to recommend that Regional Council increase or decrease the amount of any event grant.
