Item Title: Review of HRM's Litter Receptacle Placement Criteria

Amended motion approved that Halifax Regional Council request a staff report to review HRM's current litter receptacle placement criteria. The report should also include:

- a) information on whether there is a sufficient number of litter receptacles throughout HRM
- b) criteria from other municipalities on placement/quantity of litter receptacles, **including operating costs**
- c) consider permitting additional litter receptacles in strategic locations, such as pedestrian and active transportation corridors, bus stops (regardless of ridership volume), parks, playgrounds, sport fields and public spaces; and
- d) investigate creating a public campaign to educate residents on litter prevention.
