Subject: Request for Staff Report - Tallahassee Community Recreation Centre		
Motion for Council to Consider: That Halifax Regional Council request a staff report in regard to proposed phase 2 Renovations at Tallahassee Community Recreation Centre with consideration for inclusion in the 2020-2021 Capital Budget.		
Reason: In 2017 the Capital Budget included \$220,000 to address State of Good Repair deficiencies at Tallahassee Rec Centre. This only addressed Heating upgrades, Flooring upgrades and electrical upgrades. Staff included on the Project team suggested that because of other work that needed to be done the project could be done in phases. At this time, I would like to address Phase 2. We did get ACOA money towards this project however it did not increase the overall budget nor the scope of work that could be done.		
Outcome Sought: That funds be included in the 2020-2021 Capital Budget to complete Phase 2
