Subject: Fisherman's' Cove Project Funding		
Motion for Council to Consider: That Halifax Regional Council request a staff report in response to a request for the Municipality to provide \$566,000.00 in funding for the Fisherman's Cove Development Association to participate in a \$1.7 million dock project at Fisherman's Cove.		
Reason: This project would bring more economic opportunities for tourism to Eastern Passage but would also create opportunities for tours to popular destinations across the riding of Sackville-Preston-Chezzetcook, such as Lawrencetown Beach, Hope for Wildlife, l'Acadie de Chezzetcook, the Black Cultural Centre for Nova Scotia and so much more.		
Outcome Sought: Approval to provide \$566,00.00 (30% of the project) in funding for the Fisherman's Cove Development Association for installation toward building of a docking project that would allow non-commercial boat and commercial ships access to Fisherman's Cove, Eastern Passage. 40% funding from Federal Government is confirmed.
