- Presentation dated May 22, 2025
- Handout dated May 22, 2025

Jen Parker, Kidical Mass Halifax gave a presentation and responded to questions of clarification from the Standing Committee.

MOVED by Councillor Cleary, seconded by Councillor Cuttall

**THAT the Transportation Standing Committee request a staff report to identify opportunities to incorporate indicators on young people and active transportation (i.e., where, when, and how they are cycling) into the monitoring and evaluation programs being considered as part of the Integrated Mobility Plan and any other relevant plans or programs. The report should also respond to the requests of the Kidical Mass presentation at TSC on May 22, 2025, including suggestions of using Intercept Surveys with kids and/or families using bikeways; Ride-along Audits with kids and/or families; and Screenline counts that include perceived demographic data, to measure who is using “AAA” cycling facilities, which includes counting children on their own bikes separately from on parents’ bikes, and counting in automated counter locations near kid-focused destinations (e.g., parks, playgrounds, schools, libraries, community centres, recreation facilities, etc.).**

The staff report should also address the planning and design stages of AAA cycling infrastructure with an emphasis on public engagement that welcomes and facilitates children’s participation, as well as questions about cycling with children in municipal surveys (e.g. Shape Your City, Road Safety Survey, Traveller Opinion Survey, etc.).

Councillor Austin entered the meeting and assumed the Chair and Councillor Morse took their seat.

#### **MOTION PUT AND PASSED.**
