**Appeals Standing Committee**  
**November 1, 2018**

**TO:** Chair and Members of Appeals Standing Committee

**ORIGINAL SIGNED**

**SUBMITTED BY:** \_\_\_\_\_  
Kelly Denty, Director, Planning & Development

**DATE:** October 23, 2018

**SUBJECT:** Appeal Report – Case #311387 and #311451, 20 Millside Drive, Porters Lake

---

**Supplementary Report**

**ORIGIN**

Appeal of an Order to Remedy the condition of a property pursuant to the Dangerous or Unsightly provisions of the *Halifax Regional Municipality Charter* (the "Charter").

**LEGISLATIVE AUTHORITY**

Sections 355, 356 and 3(q) of the *Halifax Regional Municipality Charter*, S.N.S., 2008 C.39.

**MOTION FOR CONSIDERATION**

In accordance with Section 58 of Administrative Order One, the motion before the Appeals Standing Committee is to allow the appeal.

**RECOMMENDATION**

It is recommended that the Appeals Standing Committee uphold the Order of the Administrator and thereby deny the appeal.

**BACKGROUND:**

There have been no previous dangerous or unsightly cases at this property.

A complaint was received by service request on May 22, 2018. The complainant stated concerns of derelict vehicles and debris on the property.

On May 23, 2018, the Compliance Officer conducted a site inspection at 20 Millside Drive, Porters Lake, hereinafter referred to as “the property” (attached as Appendix B). A 7-day Notice of Violation (attached as Appendix C) was issued for the debris and a 7-day Notice of Violation (attached as Appendix D) was issued for the derelict vehicles.

On June 28, 2018, the Compliance Officer conducted a site inspection and noted the violations still exist. A 7-day Order to Remedy for the derelict vehicles (attached as Appendix E) and a 7-day Order to Remedy for debris (attached as Appendix F) were posted to the property. Copies of the Orders were sent via registered mail to the property owner.

On July 4, 2018, the property owner submitted a Notice of Appeal (attached as Appendix G) to the Municipal Clerk’s Office.

The case was heard at the August 2, 2018 Appeals Standing Committee meeting. The committee deferred the case to the November 1, 2018 meeting to allow the property owner additional time to bring the property into compliance.

This report will focus on the appeal dated July 4, 2018 by the property owner of the two Orders #311387 (derelict vehicles) and #311451 (debris) issued on June 28, 2018.

**CHRONOLOGY SUBSEQUENT TO THE AUGUST APPEALS STANDING COMMITTEE MEETING:**

3-Aug-2018     The Municipal Clerk’s Office sent the property owner a letter (attached as Appendix H) advising the appeal would be heard at the November 1, 2018 Appeals Standing Committee meeting.

20-Oct-2018    The Compliance Officer conducted a site inspection and noted the violations still exist.

**FINANCIAL IMPLICATIONS**

There are no financial implications if the owner complies with the Order. If the Municipality is required to complete the work, the costs will form a debt against the property which may be collected in the same manner as taxes pursuant to the Halifax Regional Municipality Charter, S.N.S., 2008, C.39.

**ALTERNATIVES**

The Appeals Standing Committee may vary or overturn the Order to Remedy and in doing so, must provide reasons to be recorded in the minutes of the committee meeting.

**RISK CONSIDERATIONS**

There are no significant risks associated with the recommendations in this report. The risk consideration rates low.

**ENVIRONMENTAL IMPLICATIONS**

No environmental impact identified.

Municipal Clerk

**Subject: NOTICE OF APPEAL ORDER - Section 356 of the HRM Charter S.N.S., 2008, C. 39**

- HRM Charter , Part XV Respecting Dangerous or Unsightly Premises

**Property located at 20 MILLSIDE DRIVE, PORTERS LAKE, NS,  
Case # 311387**

My name is Crystal Crawley and I am the owner of the property mentioned in this order. I am appealing this order on the grounds that in the two weeks following the Notice of Violation dated May 23, 2018 I worked diligently with help to make a significant progress to the state of the property by Wednesday, June 6, 2018 as follows but not limited to:

(Note: On May 24, 2018 the following day of the Notice I contacted Mr. Prosser and stated 7 days was an unreasonable amount of time to put the property in order, so I was given a verbal agreement by Mr. Prosser that he would return in 14 days to re-inspect and hoped that there would be significant progress).

#### Progress - Property at 20 Millside Drive, Porters Lake, NS as of June 28 2018

- At the top of the driveway the wooden pallets that were on the side of the red shed were all restacked neat and evenly (These will remain as they are hard wood pallets that we cut and use in our fireplace insert to supplement our heat in the Winter)
- Chopped wood that was across the driveway in two locations was removed and piled and stacked neatly in one area near the well
- Poly that was covering a small pile of gravel was removed and the gravel was distributed in the potholes on the driveway

## Appendix G

- The pile of strapping wood was piled neatly on the left side of the white shed (this is to replace the rotting wood on the deck)
- The collection of scrap steel that was on the left side of the white shed was removed and taken to the scrap metal recycling in Burnside
- The many vehicle tires/rims that were on the right side of the white shed were removed leaving only the usable ones for two working vehicles
- The odd items that were on the right side of the white shed were removed leaving that area free of everything
- The pallets that were on the right side of the small white shed were removed to the one location by the red shed
- The many different items on the deck were all removed leaving only cans for deposit refund recycling
- Blue Truck that was on the side of the house was removed. The yellow truck was emptied of all items and was scheduled for pick up with an undisclosed date within 2 - 3 weeks of the Notice (currently waiting for a confirmed date). The motor from the yellow truck at the side of the white shed to be removed at the same time.
- The pile of household items that were outside the garden doors at the front of the house were removed and placed at the curb for garbage pickup.
  - What remained was an old washer and dryer to be taken for scrap metal in Burnside as time permits, 1 clear bag of garbage and 1 black bag, a few pieces of broken down wooden furniture, a few large bottles for recycling and a medium flat rubber tote for garbage.

The bottom of the driveway near the garbage bin is where all the trash and various items were placed. Several of the bags were clear bags and one was a black bag, unfortunately on garbage day (either May 28th or June 5th) I received a red notice that stated I had garbage 'over the limit permitted' and NOTHING at all was taken.

At that time, we organized the items and left only four (4) clear bags and one black garbage bag for the next collection day and they were removed on June 25th. Unfortunately as we are still sorting the property and are accumulating more garbage, only so much can be taken at a time. Therefore, there are a few bags of garbage still on the far side of the house.

I did however inquire with a junk removal company and was quoted at a minimum \$219. I am a [REDACTED] employee and unfortunately, dealing with many different

## Appendix G

pay issues due to [REDACTED] (was not paid for 2 months following March 30th, the implications of which I am still dealing. At this time, I am unable to bear any additional financial burdens which would place me in financial hardship.

The fourteenth day that Mr. Prosser was to return on June 6th I was off work due to [REDACTED]. I was on medication and sleeping most of the day so I wrote a handwritten note with a list of the progress made to that date and taped the envelope addressed to Mr. Prosser on the door. Late in the day I saw that the envelope was no longer taped to the door and went around the property to ensure it had not blown away but I did not locate it, so it was my assumption Mr. Prosser attended my property and was in possession of the list which also stated there was more to be completed to put the property in order. Including removing all items deemed trash including the old and broken windows at the garbage bin by Millside Drive. These windows are the ONLY thing on the property that can be deemed 'Dangerous'.

The only vehicles that will remain on the property are the two working vehicles and the Oldsmobile at the front of the house as it is a family heirloom and an antique that will be restored. Since I am unable to store it at this time, it will be covered during the continuation of putting the property in order.

As stated in my note to Mr. Prosser, I reposted my ad for the trailer on Kijiji. I have had several interested parties who unfortunately never turned up to take the trailer as agreed. I have been trying to have the trailer removed and inquired with an old vehicle remover on Kijiji and was told it would cost approximately \$500 of which I cannot even entertain. I also inquired about the cost to have it towed and the cost was under \$100 unfortunately I called several junkyards and they are not interested in taking it. So at this point I will continue to pursue other avenues to have the trailer removed.

I am well aware of the state of my property at the time of the Notice of Violation and it was certainly something I wanted to remedy but due to my health [REDACTED] issues the property has continued to deteriorate over several years until the state it became.

As we have now reached this point, I would like to request the name of the complainant? I can argue that there is another property on the street that could be considered unsightly however, it is within my complainant's right to make the complaint but I also believe it is within my right to know who has made claims against me.

I have seen and am happy with the progress made thus far and believe it definitely looks much better as I am sure my friendly neighbours will attest to.

I continue to be diligent in rectifying the property to its once appealing condition but unfortunately it has been slower than anticipated due to [REDACTED]. I have been to my family doctor [REDACTED] I can now continue to rectify this violation/order.

**Appendix G**

At this point in time, I do not consider my property to be 'unsightly' besides the garbage items left to be removed by regular garbage collection and the last remaining tasks to complete.

I will continue until it is completed and in order but in doing so, I am hoping you can be understanding that I am a full time employee with a child so it is challenging to find time to balance work, life responsibilities and sorting the property.

Rest assured, given ample time it will all be as it should.

Respectfully submitted,
