**Attachments:** Feasibility Study - Final.pdf

Hi,

MusGo Rider Cooperative Ltd. has completed a Feasibility Study on operating a fixed transit route on Highway 207 from the Metro X terminal, Porters Lake to the Portland Hills Terminal, Cole Harbour. I would like to request time on the agenda to present the findings of the report.

I have attached the report to this email. Please feel free to circulate to anyone that might be interested.

Thanks,

*Jessie Greenough, CPA, CMA  
Executive Director  
MusGo Rider Cooperative Ltd.*
