-  • Donate old clothes, shoes and textiles Visit afterwear.ca

Materials must be curbside by 7 a.m.
to ensure collection.

GREEN CART COLLECTED EVERY 2 WEEKS

Households eligible for curbside collection receive a green cart and mini-bin.

Cart and kitchen mini-bin remain at your property if you move. If your cart is damaged, call 311 to arrange repair or replacement.

Weight limit of 100 kg (220 lb.) to ensure cart is not damaged otherwise equipment will not collect.

Yard waste may be placed in the green cart or paper bags **ONLY**—no plastic.

Limit of 20 paper bags per organics collection.

Maximum weight of bag 25 kg (55 lb.) permitted for collection.

Branches tied in armload sized bundles. No piece in the bundle more than 1.2 m (4 ft.) long or larger than 0.2 m (8 in.) in diameter. Limit of 5 bundles per collection.

Christmas trees will be collected with your regular green cart collection.

Remove bags, ornaments, stands and place tree next to cart.

RECYCLING BAG 1 NON PAPER

Transparent blue bags required.

Recycling collection is weekly in urban/suburban areas and every 2 weeks in rural areas.

Stuff all plastic bags together (bags in bags)—no loose bags. Loose bags make it difficult for capture at the recycling plant.

Ready-to-serve beverage containers are also redeemable (half-back deposit system) at all ENVIRO-DEPOT locations, visit **divertns.ca** for full details.

There are no limits to the number of recycling bags allowed.

No business waste permitted.

RECYCLING BAG 2 PAPER PRODUCTS

Do not mix containers and paper in the same bag or it will be rejected curbside.

Recycling collection is weekly in urban/suburban areas and every two weeks in rural areas.

Keep paper clean and dry.

Corrugated cardboard tied in armload sized bundles must not exceed 0.6 m (2 ft.) x 0.9 m (3 ft.) x 0.2 m (8 in.)

There are no limits to the number of recycling bags allowed.

No business waste permitted.

GARBAGE COLLECTED EVERY 2 WEEKS

Clear garbage bags required.

Single unit homes: Limit of 6 bags per collection. Up to 5 bags may be replaced with renovation waste. Limit of 1 bulky (furniture/appliance) item per collection.

Multi-unit buildings (2–6 units): Limit of 4 bags per unit. Limit of 2 bulky (furniture/appliance) items per collection. No renovation waste permitted.

1 dark privacy bag allowed in limit. Remaining bags must be clear.

For privacy all clear bags can be placed in a garbage can.

Free removal of CFC refrigerants for all residential fridges, freezers and dehumidifiers for curbside collection, call 311 to arrange.

Maximum weight of bag 25 kg (55 lb.). Maximum weight of garbage can and renovation bundles 34 kg (75 lb.). Bundles no longer than 1.2 m (4 ft.)

HOUSEHOLD (HSW) SPECIAL WASTE

Household special waste is not collected curbside.

HSW Depot operates Saturdays only at 20 Horseshoe Lake Drive in Bayers Lake (excluding holiday weekends). Call 311 or visit **halifax.ca/recycle** for hours.

Household special waste can be taken to special community events held throughout the year.

No business waste accepted. Only residential households of Halifax Regional Municipality are eligible for depot drop-off service.

Reminder: small camping propane cylinders are included in the HSW program.

Use the **Halifax Recycles** mobile and web app to see what goes where and receive weekly notifications.
