APPLICATION INFORMATION

APPLICATION CHECKLIST

Your application must be complete to be processed. Make sure to include the following:

- Application signed by you and all registered owners who have title to the property.
 - If applicable: proof of power of attorney, personal representative, guardian, trustee or living interest if the application is being made by someone acting on your behalf
- If your property has an existing mortgage (or similar charge or lien) documentation from your existing lender (for example, your bank) to show that your existing lender acknowledges and agrees that HRM's charge will take priority over the existing lender's mortgage and form a first mortgage on your property.
- Formal documentation from a contractor who holds a certificate of qualification from Nova Scotia Environment indicating the existing water supply system for the property does not meet minimum pressure, flow or recharge rate for the property.
- A written estimate or a signed contract from a contractor who holds a certificate of qualification from Nova Scotia Environment detailing the costs of the installation of the new water supply system.

Note that only those costs deemed qualified for the program by HRM will be eligible for financing. Eligible costs and your responsibility to pay for all ineligible costs are detailed in the Participant Agreement.

APPROVED APPLICATION

If your application is approved you will be notified by HRM using the contact information provided on this form. Should you wish to proceed with the program, a \$150 application fee will be payable and you will be required to sign a Participant Agreement. Should you not wish to proceed with the program, you will not be charged the application fee.

If your application is not approved, you will be notified by HRM using the contact information provided on this form. You will not be required to pay the application fee.
