Bedford Days and Canada Day in District 16 will be very different this year due to the COVID-19 pandemic. Many of us will also miss Rouge et Blanc and the chance to interact and sample local food, wines and talent.

However, the Bedford Days Committee and HRM Special Events staff have been hard at work to prepare a virtual event to provide you with access to some of our popular and traditional events, to highlight some of our tremendous local talent, and to showcase our beautiful community.

I encourage you to take time to view those videos and to celebrate District 16, HRM, and Canada. I look forward to seeing you next year in DeWolf Park and at Rouge et Blanc.

Happy Bedford Days and Canada Day to all!

Councillor Tim Outhit
