Camp Program Details

Modified summer camps will be offered at **12 locations** across the municipality.

In most locations, camp activities will be provided in an outdoor setting. Please come to camp prepared with appropriate dress, footwear, hat, water bottle, snacks and previously applied sun screen. A staff to child ratio of 7:1 will be implemented. Children will stay in small groups with the camp leader for the duration of each session as they move through various activity stations.

Participants can register for one camp per week, selecting either morning or afternoon sessions. Parents/guardians must sign their children in and out each day.
