ACCESS-A-BUS APPLICATION FORM

www.halifax.ca

Access-A-Bus is a division of Halifax Transit which is owned and operated by the Halifax Regional Municipality. Funding for Access-A-Bus is provided by the Halifax Regional Municipality and riders fares.

Access-A-Bus is a shared ride bus service for individuals who are unable to use Halifax Transit due to a mobility impairment or cognitive disability. Access-A-Bus is not intended for persons who have at times experienced difficulty in using Halifax Transit's fixed route service. It is also not meant to replace Halifax Transit's fixed route service when the fixed-route service is limited, not operating or not convenient.

Eligibility is not based on age, income or the availability of others to travel with the applicant on regular fixed route transit. Any individual who is unable to use Halifax Transit service, due to a cognitive or functional disability, may apply to use the Access-A-Bus service. Eligibility is established by comparing the client's real needs with the capacities of the Access-A-Bus service. Each application will be considered by reference to the Eligibility Criteria, Restriction Criteria and Parts A, B and C of the application. In addition to providing information in the application forms, the applicant may be required to attend a personal interview.

Eligibility Criteria for use of Access-A-Bus

A person may qualify for the Access-A-Bus service for the following reasons:

- Requires the use of a medically prescribed wheelchair or scooter
- Unable to step up or down three (3) – 35 centimeter steps unassisted
- Unable to walk more than 175 meters outside without the aid of a medically prescribed mobility aid or without assistance (1 city block)
- Has 20/200 vision or less (legally blind)
- Unable to utilize conventional transit due to a cognitive disability

Restriction Criteria for use of Access-A-Bus

- Wheelchairs and/or scooters must weigh no more than 800 pounds (364 kgs) when occupied or be no larger than 32 inches wide or 45 inches long, including attachments and baggage

THE APPLICATION PROCESS

Halifax Transit must have all required information before it can rule on the eligibility of the applicant and grant the appropriate level of approval. Please note that incomplete forms will be returned to the applicant or applicant's agent, thereby delaying the application process. **Any fees associated with the completion of this form or any other additional information are the responsibility of the Applicant.**

If a false declaration is made, eligibility will be refused or withdrawn. The information provided on this form is confidential and for the exclusive use of Halifax Transit files and for the application process.

Part A - Declaration - to be completed by the applicant or an agent of the applicant, if the applicant is unable to complete or understand the Declaration.

Part C - Professional Declaration - to be completed by the applicant's Attending Professional Care Provider (Physician, Nurse Practitioner, Occupational Therapist, Physiotherapist).

Completion of this application does not guarantee that an applicant is eligible to use the Access-A-Bus service. Please note that while Halifax Transit attempts to provide service to as many registered clients as possible, not all trips may be accommodated due to budget constraints and an increasing demand for service.
