MOVING FORWARD TOGETHER

As our city changes, so do our public transit needs. The Moving Forward Together Plan is all about improving our transit system to better meet the needs of residents of the Halifax region, now and in the future. With new, more direct and frequent routes, we're making our transit network faster, more reliable and easier to understand.

Corridor Routes

All day service along major streets providing direct connections to terminals.

Corridor Routes form the backbone of the revamped transit network. They provide frequent service along high demand routes, linking neighbourhoods and moving commuters between shops, services, offices and schools. Corridor Routes provide consistent service seven days a week, maintaining system coverage from early morning to late in the evening.

ROUTE 2 Fairview

Lacewood Terminal › Bayers Road Centre › Mumford Terminal › Scotia Square › Water Street Terminal

CHANGE

The new **Route 2** replaces the Lacewood Terminal – downtown Halifax portion of the existing **Route 2 Wedgewood** and **Route 4 Rosedale**.

The new **Route 2** ends at Lacewood Terminal. Transfer to **Local Routes** for service to other areas of Clayton Park, Bayers Lake and Timberlea.

WHY

Combining **Route 4** and **Route 2** creates a clear, consistent option when heading towards downtown, as well as increasing frequency along the new **Route 2**.

ROUTE 3 Crosstown

Lacewood Terminal › Mumford Terminal › Bridge Terminal › Highfield Terminal › Marketplace Dr

CHANGE

The new **Route 3** replaces the majority of the old Route 52 Crosstown, ending at Lacewood Terminal. Transfer to **Routes 28** or **21** for buses to Bayers Lake. For travel to north Burnside, transfer to **Route 64**.

As of August 20, 2018, **Route 64** will be adjusted to provide all day, weekday service.

WHY

Ending what was Route 52 at Lacewood Terminal and introducing transfers allows higher frequency and later evening service for the new **Route 3**.

ROUTE 4 Universities

Lacewood Terminal › Windsor St › Robie St › QEII › Saint Mary's University › Dalhousie University

CHANGE

The new **Route 4** replaces all routes providing service between Lacewood Terminal and the south end of the Halifax Peninsula (Routes 17, 18 and 42).

This route does not service Mount Saint Vincent University or Flamingo Drive but additional routing options are available. Take **Route 39** from Clayton Park, or catch **80**, **81** and **90** on Robie Street when travelling from the South End universities/hospitals to Mount Saint Vincent University.

WHY

This change combines old routes into one higher frequency route with later evening and weekend service.

Express Routes

Rush hour, peak direction, limited stop service.

Express Routes get you where you're going faster, for the same price as a regular route. These Routes are designed to provide commuters streamlined transit service during rush hour. These routes feature limited stop service between residential communities and the downtown core. All Express Routes have been scheduled so that one bus should leave approximately every 10 minutes during peak times from Lacewood Terminal.
