MOVING FORWARD TOGETHER

As our city changes, so do our public transit needs. The Moving Forward Together Plan is all about improving our transit system to better meet the needs of residents of the Halifax region, now and in the future. With new, more direct and frequent routes, we're making our transit network faster, more reliable and easier to understand.

	25 NEW ROUTE SERVING THE COMMUNITY OF GOVERNOR'S BROOK

Corridor Routes

Routes 1-10

All day service along major streets providing direct connections to terminals.

Corridor Routes form the backbone of the revamped transit network. They provide frequent service along high demand routes, linking neighbourhoods and moving commuters between shops, services, offices and schools. Corridor Routes provide consistent service seven days a week, maintaining system coverage from early morning to late in the evening.

ROUTE 8 Sackville

CHANGE

The new **Route 8** replaces the **Route 80 Sackville**. **Route 8** follows the exact same route as **Route 80**.

WHY

This new **Corridor Route** introduces more reliable, consistent service on the Bedford Highway to link Sackville and Bedford with downtown Halifax.

ROUTE 25 Governors Brook

CHANGE

The new **Route 25** provides service between the Governor's Brook subdivision and Mumford Terminal via Williams Lake Road and Purcells Cove Road.

WHY

Route 25 ends at Mumford Terminal to help create a transfer based system for a more reliable transit network. As a new route, **Route 25** expands the reach of the transit network to service more residents of Williams Lake Road and the new community of Governor's Brook.

ROUTE 64 Burnside

CHANGE

The new **Route 64** provides service in the Burnside Industrial Park between the Marketplace Drive/Wrights Cove area and Highfield Terminal.

WHY

The new **Route 64** introduces new service to several streets in Burnside, providing service where the discontinued **Route 64 Akerley** and new **Route 66 Penhorn** do not. **Route 64** does not go to the Bridge Terminal, which reduces duplication of service on Wyse Road. To travel to Bridge Terminal, transfer to **Route 3 Crosstown**, **Route 53 Notting Park** or the new **Route 87 Sackville - Dartmouth**.

ROUTE 66 Penhorn

CHANGE

The new **Route 66** provides service between Gaston Road, Penhorn Terminal and Highfield Terminal via Micmac Terminal, and follows the same route as it previously did between these areas. The new **Route 66** ends at Highfield Terminal, meaning it no longer provides service to Cobequid Terminal or within Burnside Industrial Park. To travel to Burnside, transfer to **Route 3 Crosstown**, the new **Route 64 Burnside** or **Route 72 Portland Hills**. To travel to Sackville transfer to the new **Route 87**.

WHY

This change reduces service duplication in Burnside, meaning a more direct and shorter route for greater reliability.

ROUTE 84 Glendale

CHANGE

The new **Route 84** provides service between Sackville Terminal and Scotia Square following a similar route to the existing **Route 84 Glendale Express**. This new **Local Route** does not provide service from Scotia Square to Summer Street.

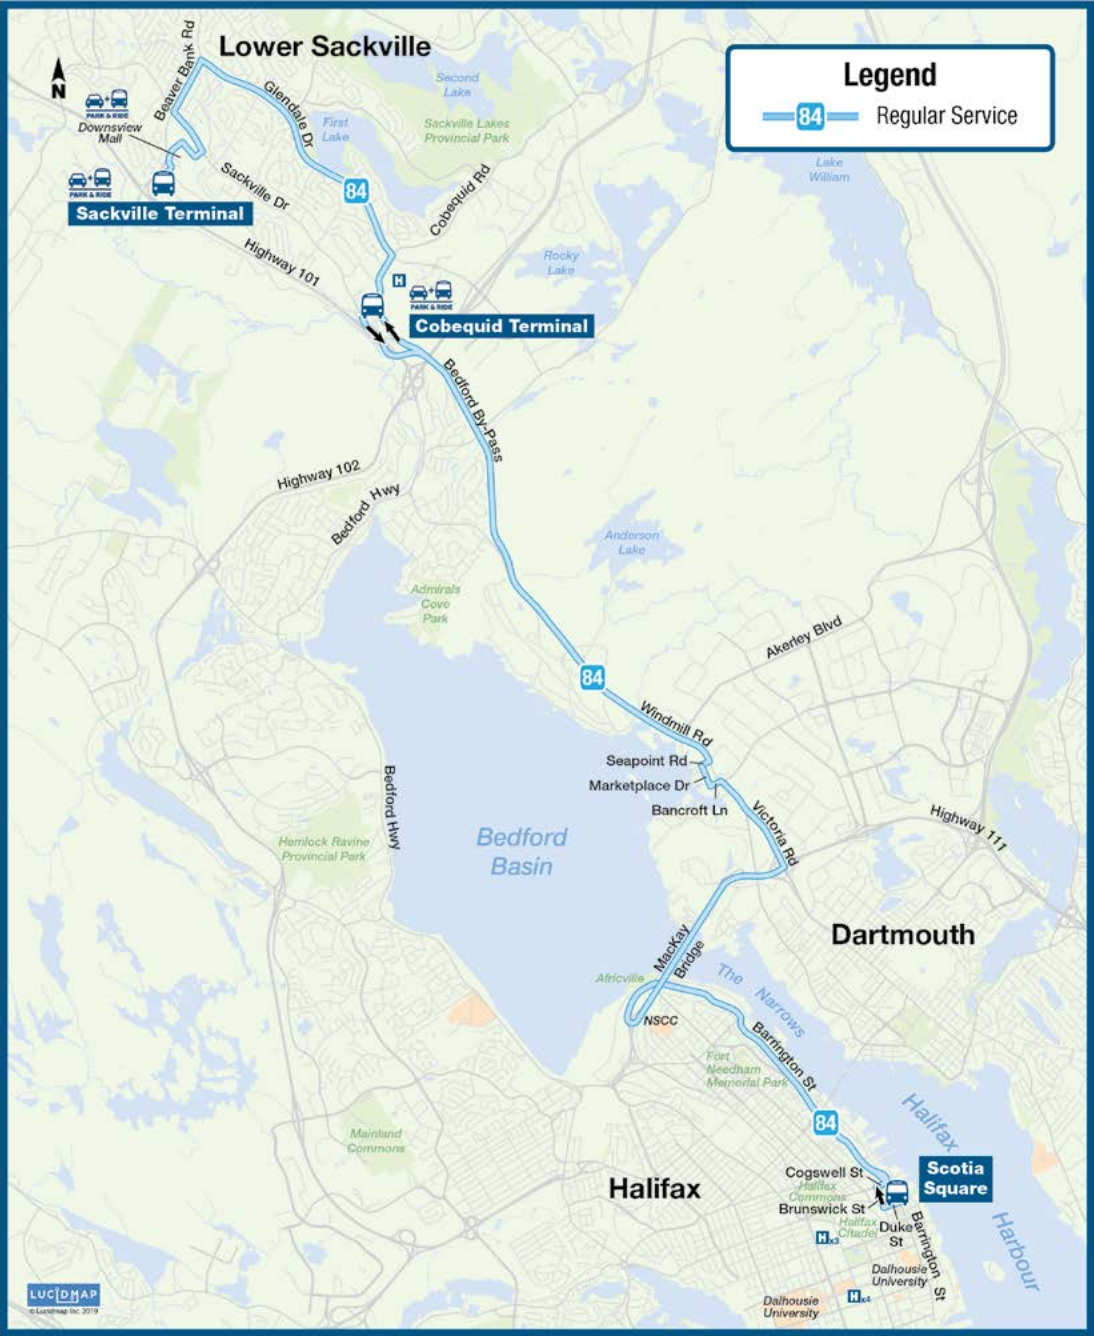

WHY

This new **Local Route** replaces portions of the existing **Route 87 Glendale** on Glendale Drive and improves connections between Sackville and downtown Halifax on weekdays, Saturdays and Sundays.

To continue up Spring Garden Road or to go to Summer Street, passengers can transfer to a number of routes at Scotia Square, including **Route 9A/B Herring Cove**.

ROUTE 84 Glendale

ROUTE 87 Sackville - Dartmouth

CHANGE

The new **Route 87** provides service between Sackville Terminal and Bridge Terminal via Sackville Drive, Dartmouth Road and Windmill Road. This route travels on Sackville Drive and replaces service on Bedford Highway and Dartmouth Road where **Route 66 Penhorn** no longer services. The new **Route 87** does not service Glendale Drive.

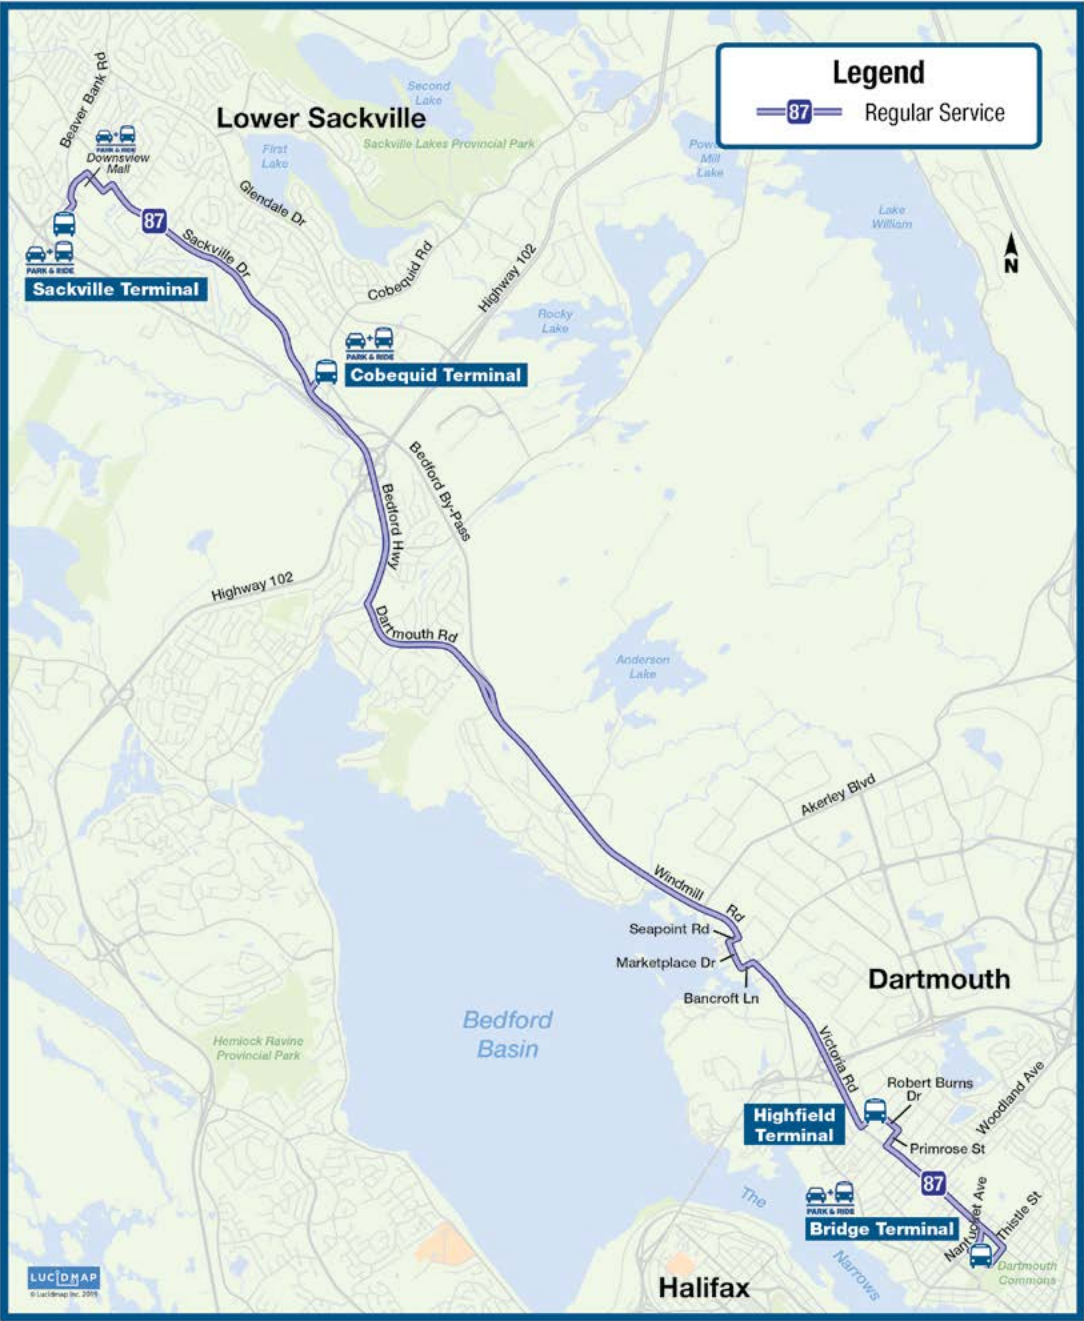

WHY

This new **Local Route** replaces service on portions of the existing **Route 87 Glendale** and provides additional service on Sackville Drive. This allows for travel from Sackville Drive to Dartmouth along Dartmouth Road and Windmill Road on the new **Route 87** or to Halifax along Bedford Highway on the new **Route 8**.

ROUTE 87 Sackville - Dartmouth

ROUTE 88 Bedford Commons

CHANGE

The **Route 88** changes to provide service between Sackville Terminal and Bedford Commons and offers an increase in the level of service along this route. It travels on Walker Avenue and Old Sackville Road and continues to service Cobequid Terminal. Otherwise, the existing portion of the route does not change.

WHY

Extending **Route 88** provides new local service to areas of Sackville and improves service to the Bedford Commons shopping centre.

ROUTE 93 Bedford Highway

CHANGE

The new **Route 93** provides service between Cobequid Terminal and downtown Halifax via Bedford Highway during peak periods. **Route 93** travels to Scotia Square via Lady Hammond Road, Duffus Street, and Barrington Street, servicing all stops along the route.

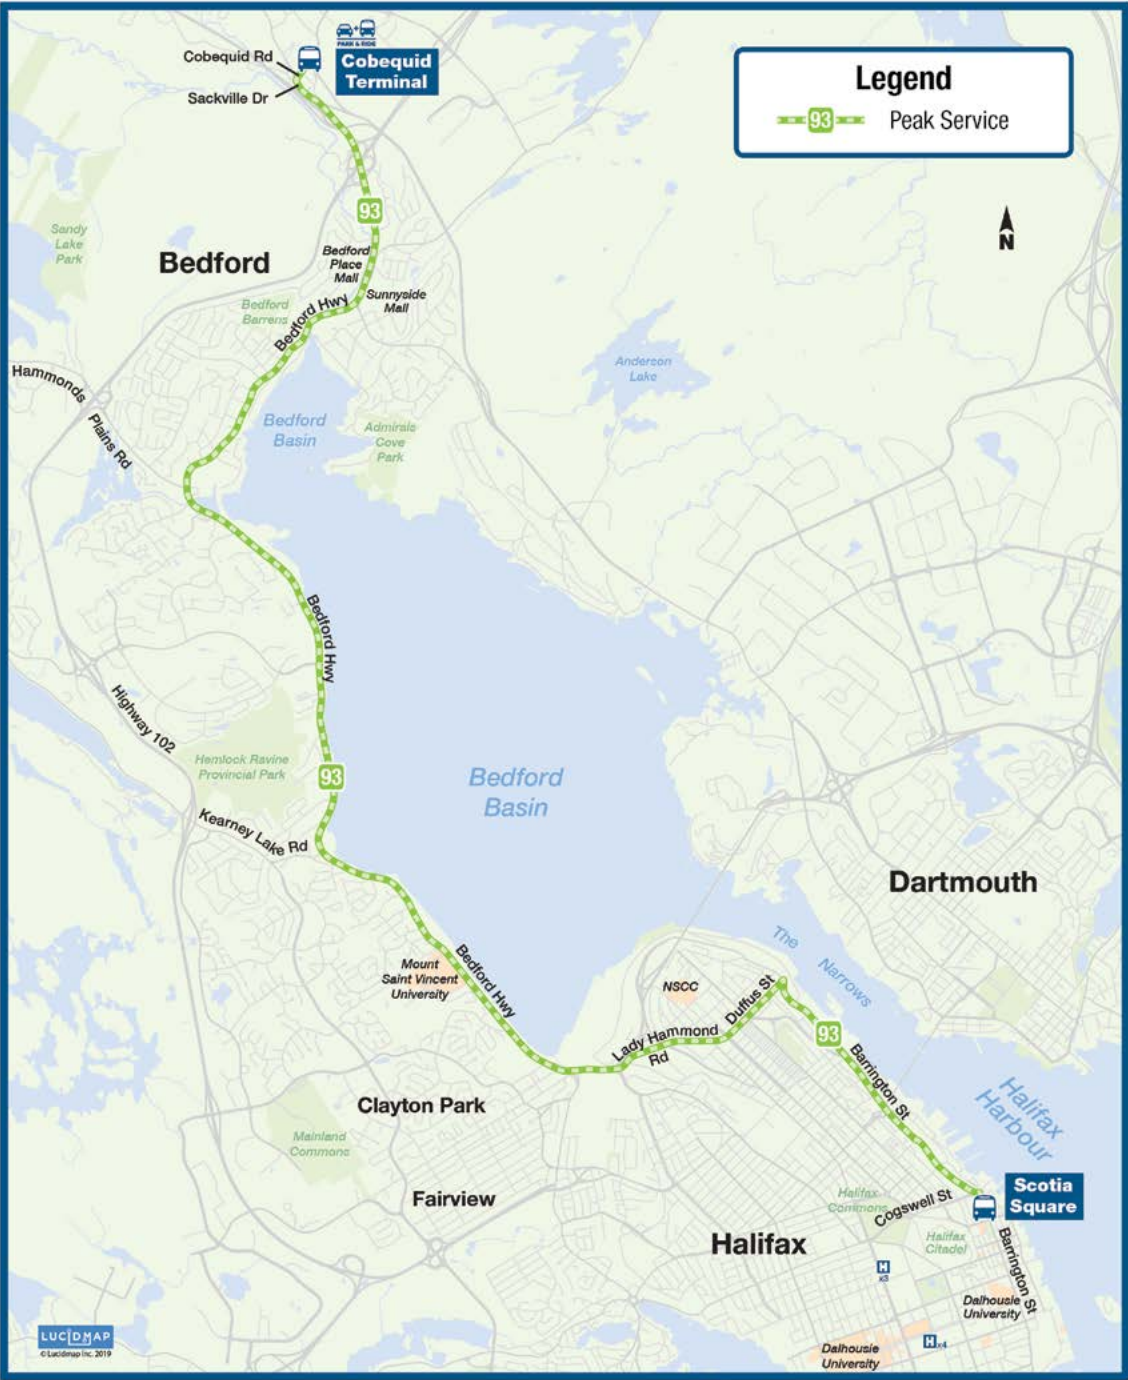

WHY

This new **Local Route** replaces a portion of the existing **Route 82 Millwood** and improves connections to the shipyard and the dockyard.

Express Routes

Routes 100-199

Rush hour, peak direction, limited stop service.

Express Routes get you where you're going faster, for the same price as a conventional route. These routes are designed to provide commuters streamlined transit service during rush hour and feature limited stop service between residential communities and the downtown core.

ROUTE **82 First Lake**

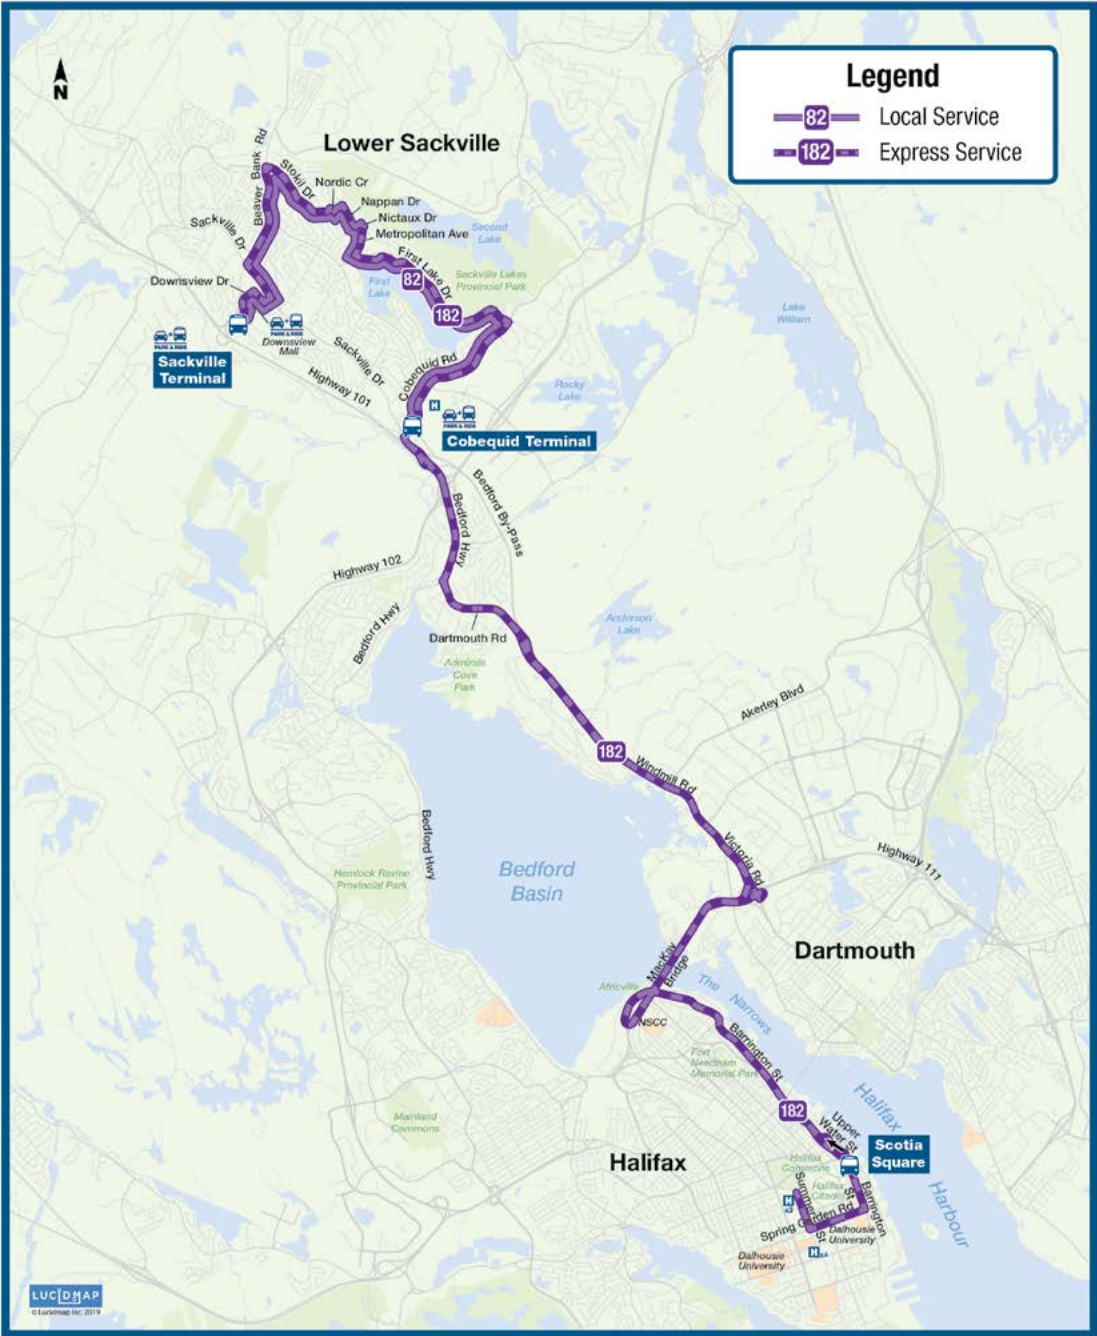

ROUTE **182 First Lake**

CHANGE

The new **Local Route 82** provides service between Sackville Terminal and Cobequid Terminal via First Lake Drive. During rush hour, the new **Express Route 182** replaces **Route 82** in the peak direction to provide express service between the First Lake Drive area and downtown Halifax via Dartmouth Road and Windmill Road. The new **Express Route 182** services all the same stops as **Route 82**.

WHY

These new routes replace portions of the existing **Route 82 Millwood** and the existing **Route 87 Glendale**. This change also provides new express service to areas along First Lake Drive which allows for direct trips to and from downtown Halifax at peak periods.

ROUTE 83 Springfield

ROUTE 183 Springfield

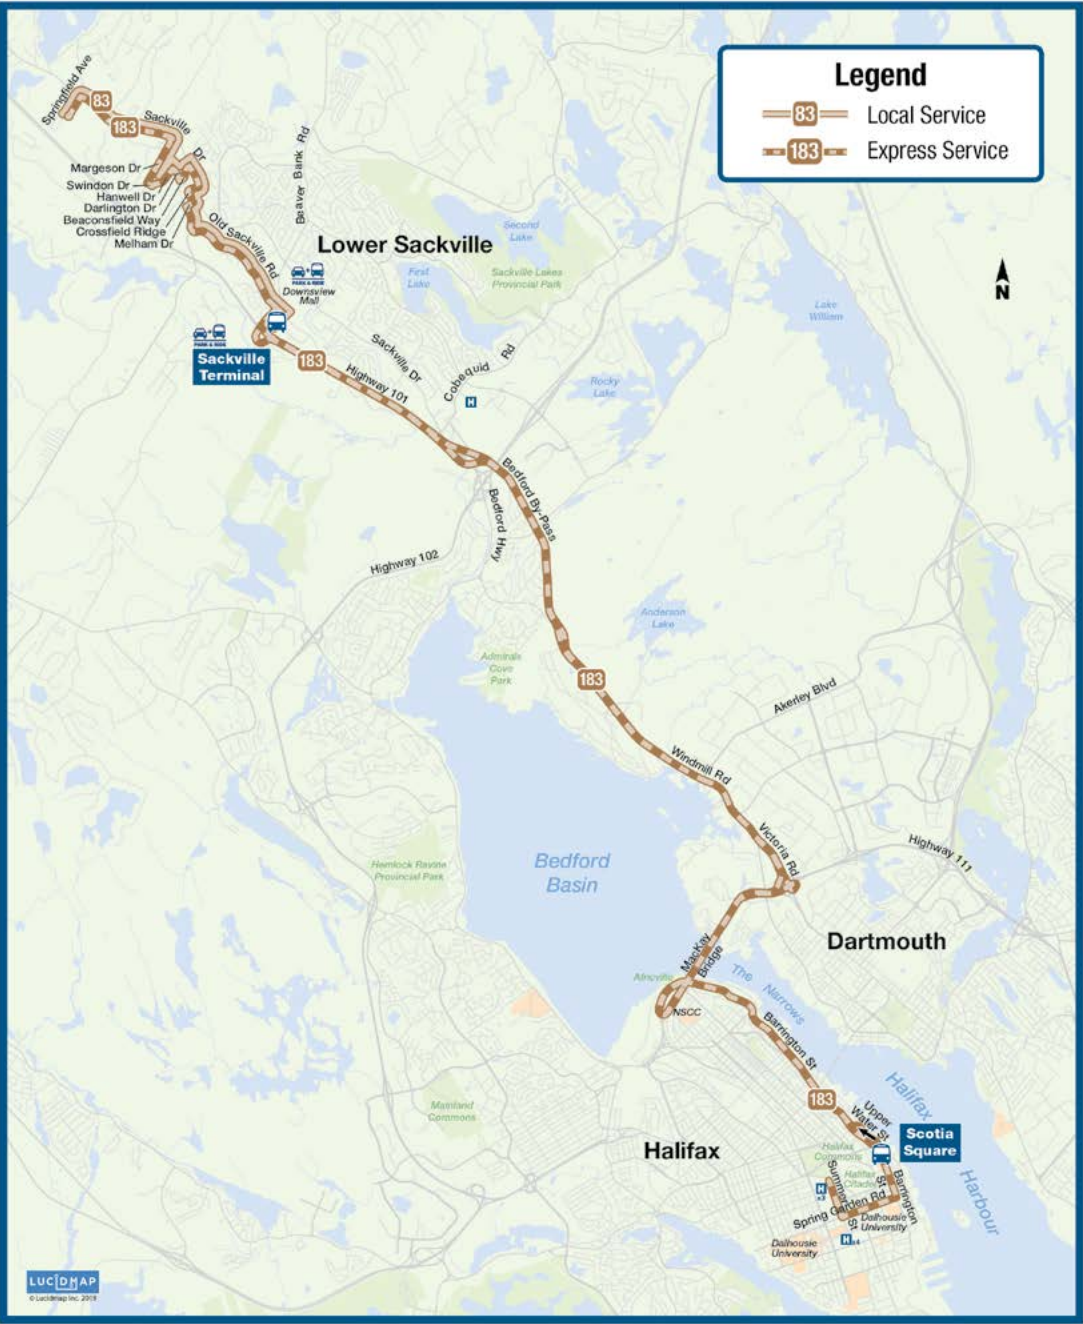

CHANGE

The new **Local Route 83** provides service between Springfield Estates and Sackville Terminal via Sackville Drive and provides new service on Beaconsfield Way, Darlington Drive, Hanwell Drive and Swindon Drive. During rush hour, the new **Express Route 183** replaces **Route 83** in the peak direction to provide express service between the Springfield Estates area and downtown Halifax via Highway 101, Bedford Bypass and Windmill Road. The new **Express Route 183** services all the same stops as **Route 83**.

Note: these new routes do not travel through the Downsview Mall.

WHY

These new routes replace portions of the existing **Route 83 Springfield**. This change also provides new express service to the Springfield Estates area which allows for direct trips to and from downtown Halifax at peak periods.

ROUTE **85** Millwood

ROUTE **185** Millwood

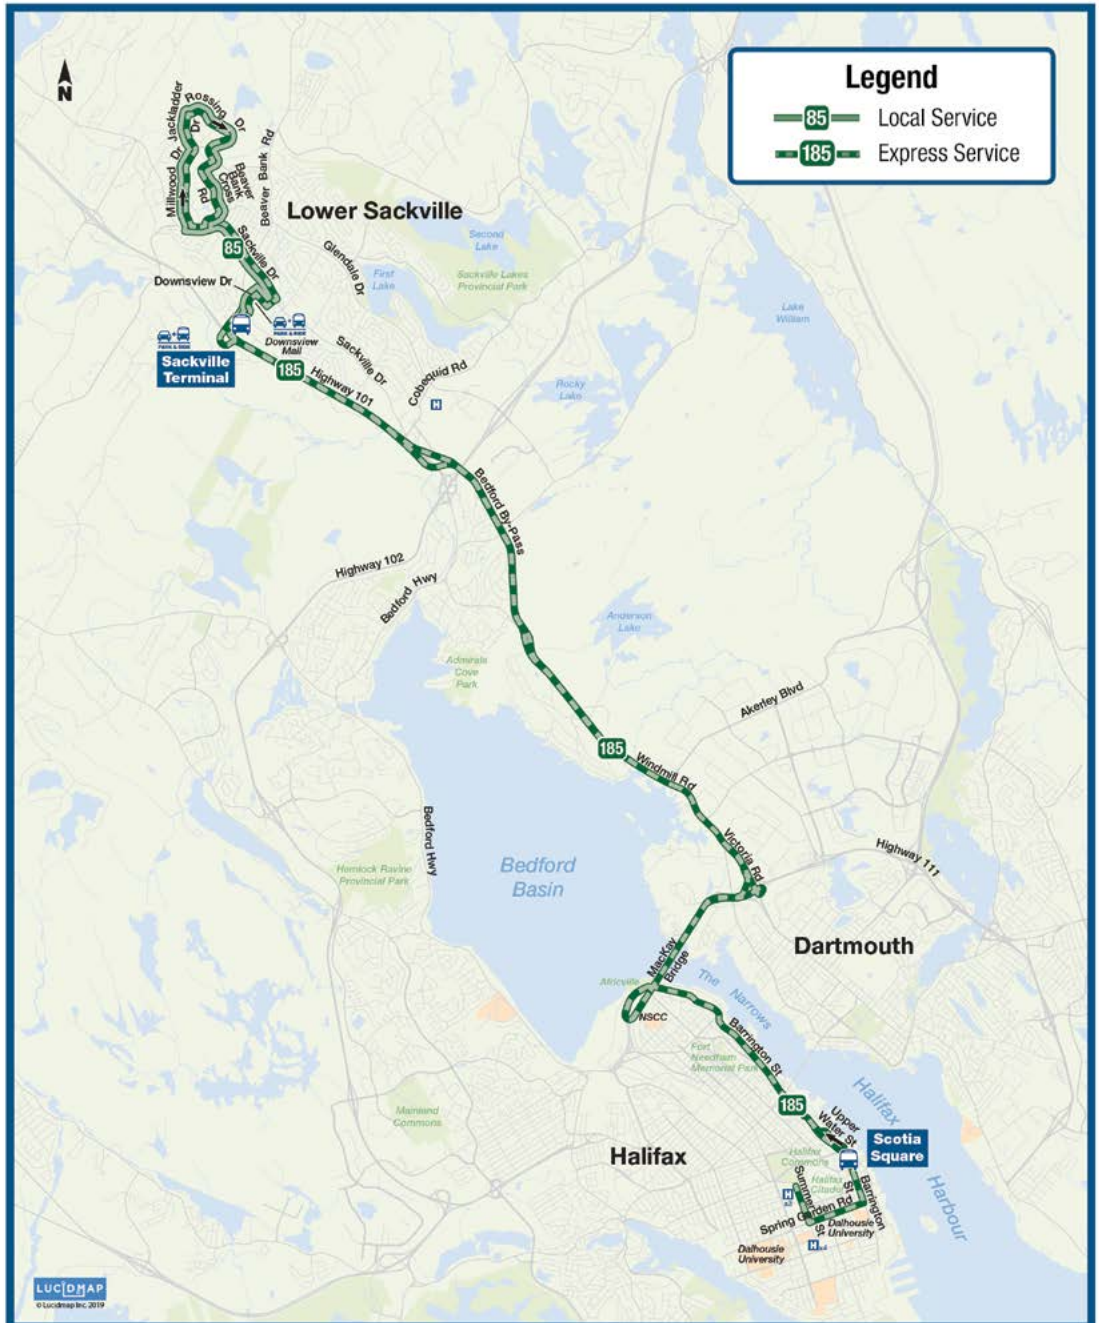

CHANGE

The new **Local Route 85** provides service between Millwood subdivision and Sackville Terminal with new service on Jackladder Drive, Rossing Drive and Beaver Bank Cross Road. During rush hour, the new **Express Route 185** replaces **Route 85** in the peak direction to provide express service between Millwood subdivision and downtown Halifax via Highway 101, Bedford Bypass and Windmill Road. The **Express Route 185** services all the same stops as **Route 85**.

Note: these new routes travel in one direction from Millwood Drive to Beaver Bank Cross Road.

WHY

These new routes replace portions of the existing **Route 82 Millwood**. This change also provides new express service to areas in the Millwood subdivision which allows for direct trips to and from downtown Halifax at peak periods.

ROUTE 86 Beaver Bank

ROUTE 186 Beaver Bank

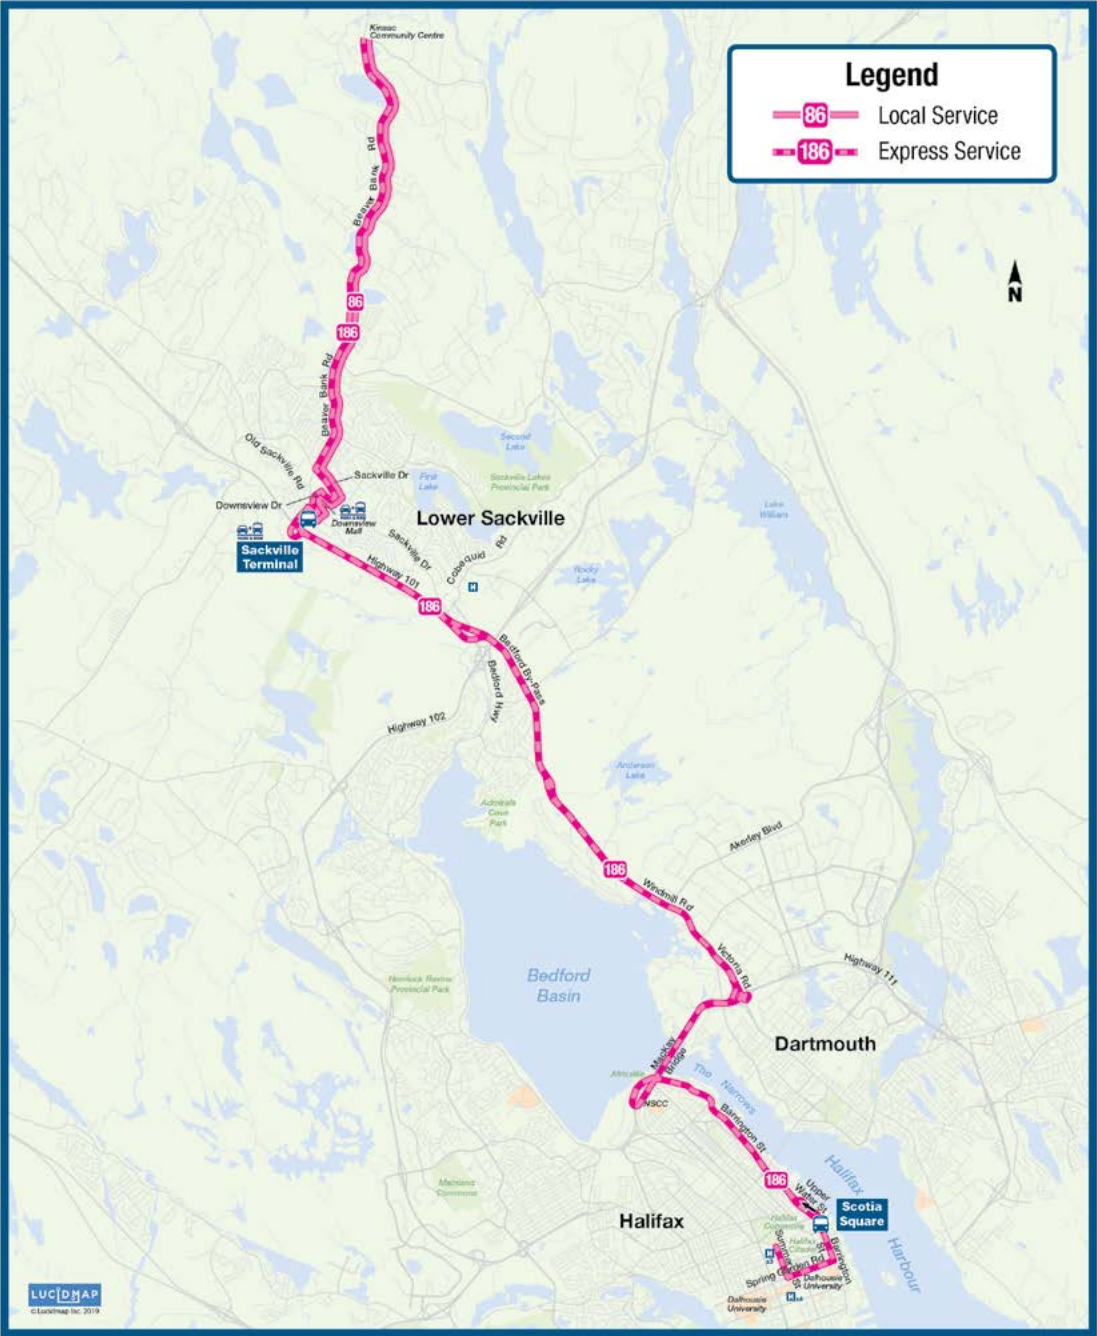

CHANGE

The new **Local Route 86** provides service between the Kinsac Community Centre and Sackville Terminal via Beaver Bank Road. During rush hour, the new **Express Route 186** replaces **Route 86** in the peak direction to provide express service between Beaver Bank Road and downtown Halifax via Highway 101, Bedford Bypass and Windmill Road. The **Express Route 186** services all the same stops as **Route 86**.

Note: The PM School trip no longer enters Woodbine Park community, stopping instead on Beaver Bank Road.

WHY

These new routes replace part of the existing **Route 400 Beaver Bank** from Sackville Terminal to the Kinsac Community Centre. The remainder of the existing **Route 400** from the Kinsac Community Centre to Beaver Bank Villa is discontinued due to low ridership. This change also provides new express service to areas along Beaver Bank Road which allows for direct trips to and from downtown Halifax at peak periods. There are also significant increases to service on these new routes.

ROUTE 183 Springfield
ROUTE 185 Millwood
ROUTE 186 Beaver Bank

CHANGE

These three new routes, **Express Route 183**, **Express Route 185** and **Express Route 186** provide combined service to replace the existing 185 Sackville Link . These routes travel between Sackville Terminal and Scotia Square along the exact same route as the existing 185 Sackville Link but with new service to Summer Street. These new **Express Routes** also provide new local service in Sackville past the Sackville Terminal.

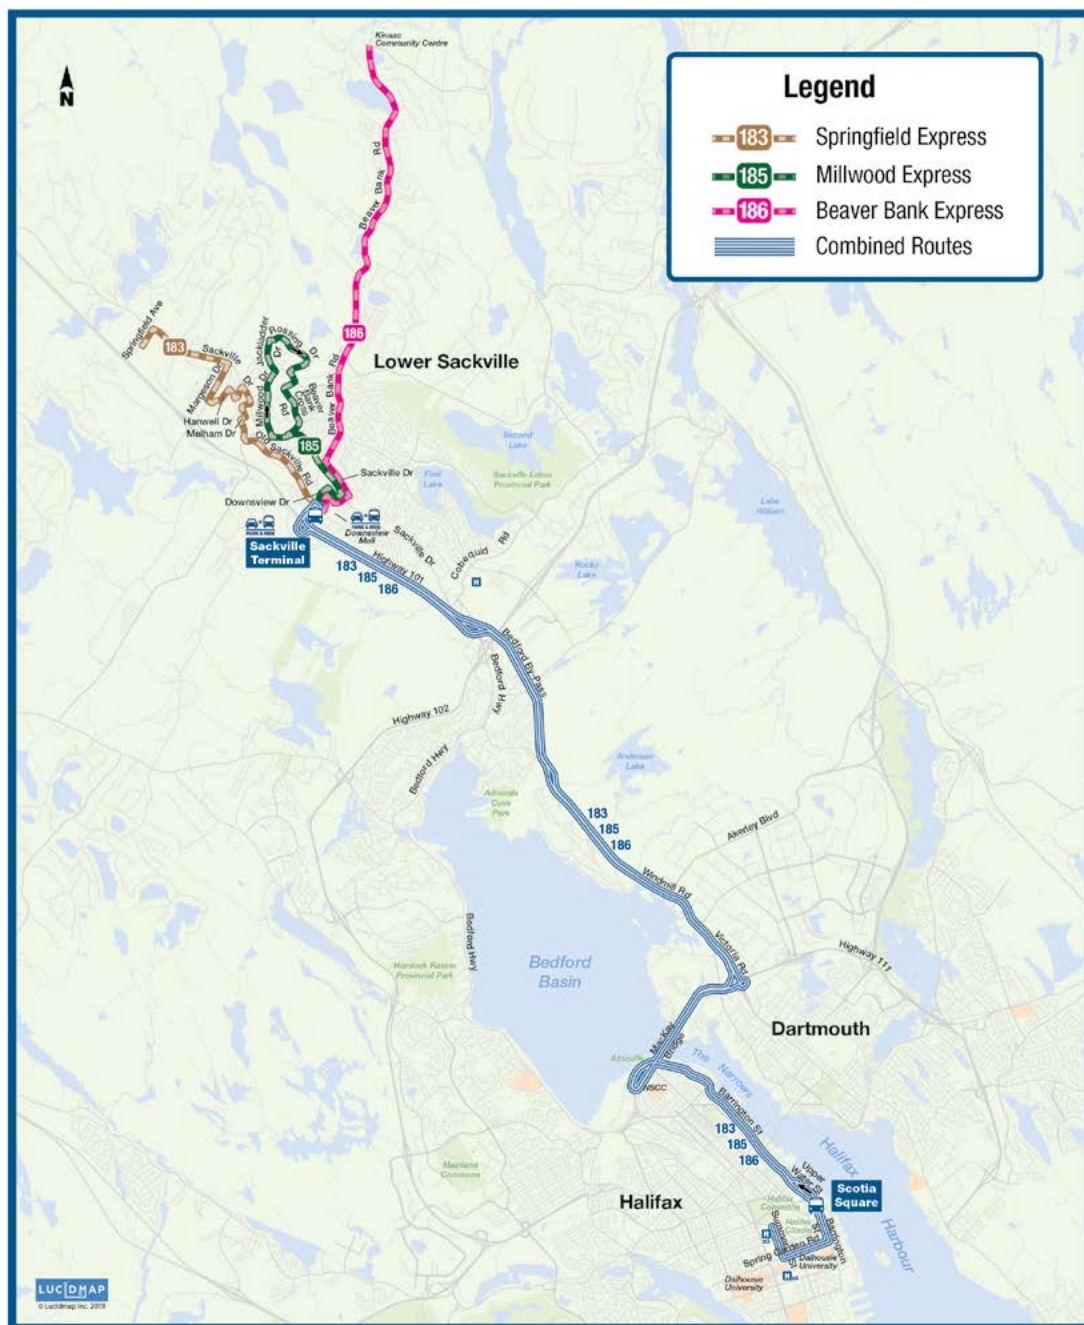

WHY

These new routes provide express service to more areas of Sackville at conventional fare, while still maintaining the limited stop express service from Sackville Terminal to downtown Halifax.

Rural Routes

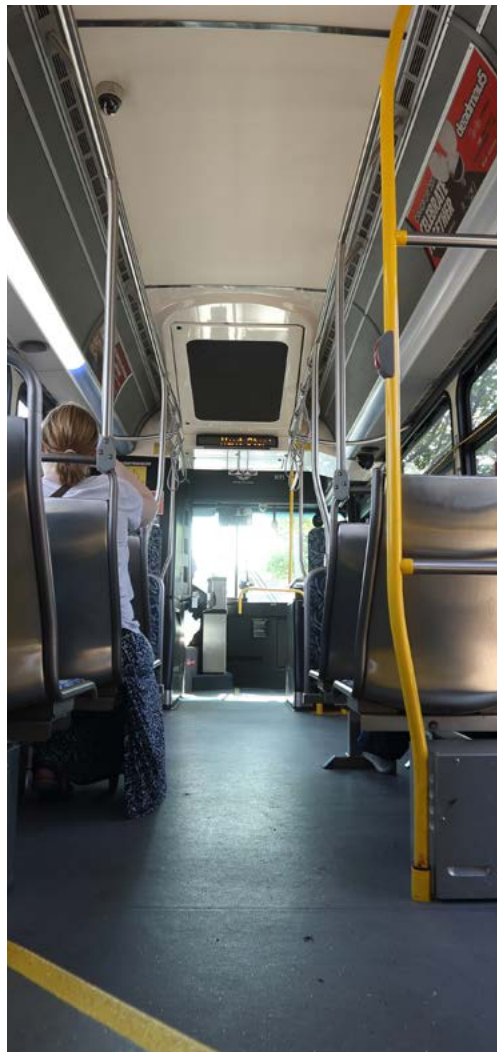

Routes 400-499

Connecting rural communities to transit terminals.

Rural Routes service HRM communities located outside of the Urban Transit Service Boundary. These routes provide connections between rural communities and transit service in the urban area by bringing passengers to the nearest transit terminal.

ROUTE

415 Purcells Cove

ROUTE 415 Purcells Cove

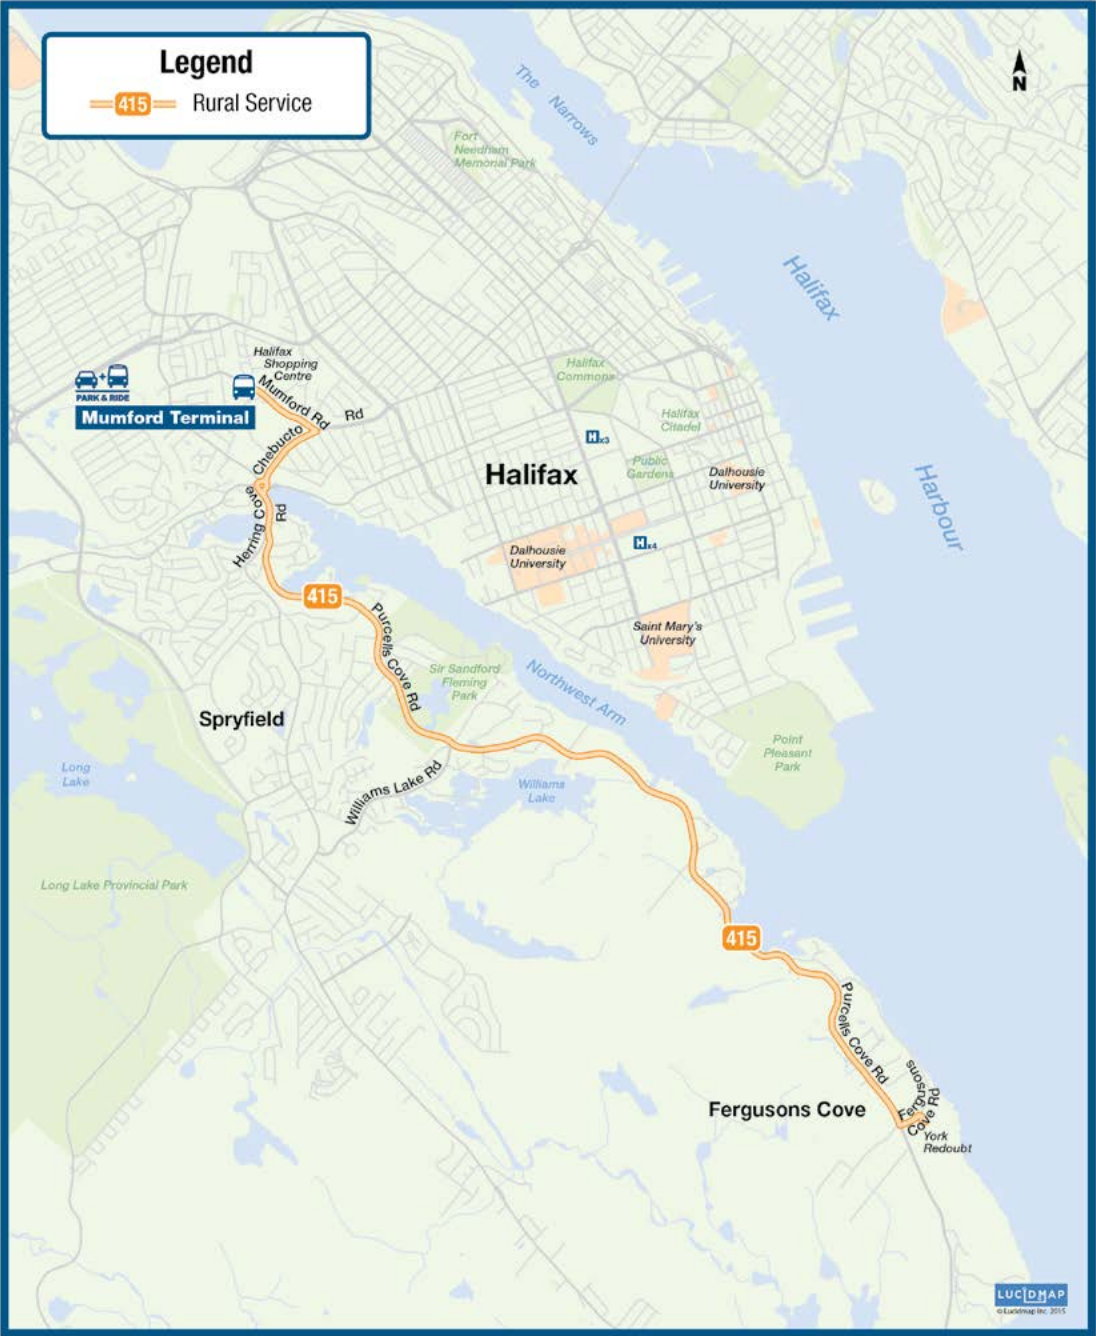

CHANGE

The new **Route 415** provides service between York Redoubt and Mumford Terminal via Purcells Cove Road during the weekday peak period. This new **Rural Route** ends at Mumford Terminal instead of continuing to the Bayers Road Shopping Centre as the existing **Route 15 Purcells Cove** does. Riders can transfer to **Route 2 Fairview**, **Route 28 Bayers Lake** or **Route 29 Barrington** to continue to the Bayers Road Shopping Centre.

WHY

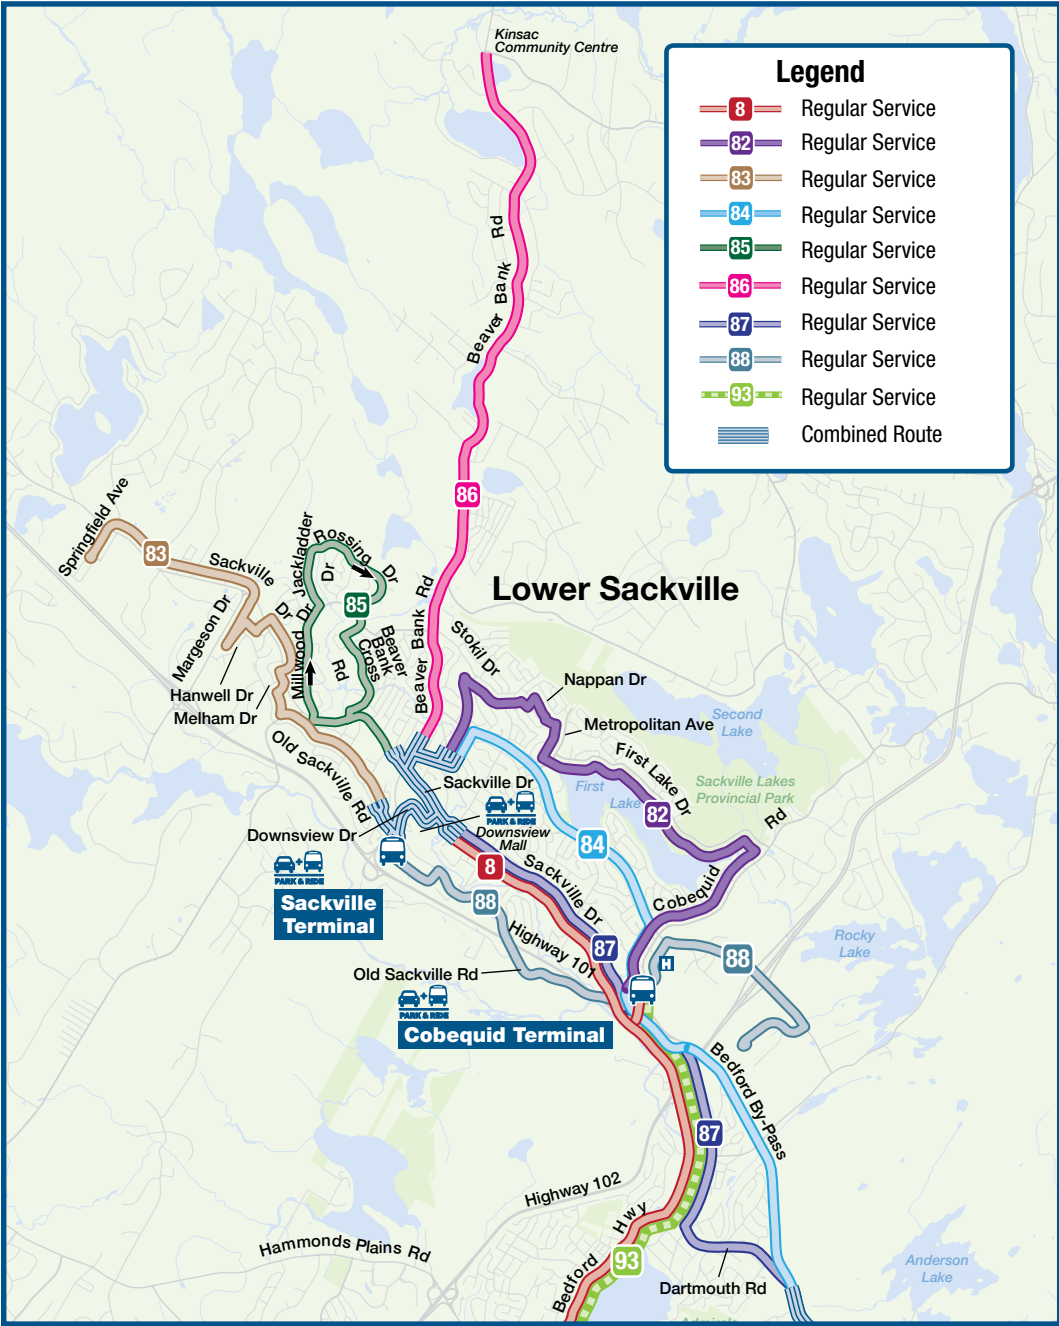

This change is due to low ridership on existing **Route 15 Purcells Cove** to allow for the reallocation of resources elsewhere. This new **Rural Route** provides complementary service to the new **Local Route 25**.
